Welcome to Institute Student Management System

The objective of the Institute Student Management System (ISMS) - Digital Empowerment to the Students in keeping view of Digital India. ISMS provides all services of the Institutions Online to the Students. Advantage of ISMS to easily track records like Students Database Management, Scholar Register Management, Enrollment and Examination Process System, Account Management, Fee Collection Management on any time from any where. MPOne's objective to provide real time ONLINE SYSTEM to the institutions. Therefore, on ONE CLICK all the status of the Students and various types reports will be available as required. On other hand students of the institutes can submit / pay their dues from any where and save most of their time and money to stand in queue on counter windows and from large distance travelling.

- Students Database Management
- Scholar Register Management
- Enrollment and Examination Process System
- Account Management
- Fee Collection Management
