**ESPD-2022**

**Invitation**

Dear Delegates

We heartily invite you to participate in One day Seminar on **ENVIRONMENTAL PROTECTION AND SUSTAINABLE DEVELOPMENT (EPSD-2022)** sponsored by IQAC and organized by Dept. of Biotechnology & IQAC Govt. K.R.G.P.G. (Autonomous) College Gwalior (M.P.) on 21 March 2022

It would give us immense pleasure if you accept our invitation and grace the Seminar. It will be a platform for interaction between researchers, academicians, student, policy makers and government officials for discussing issues related to Environment. We welcome you and your colleagues to participate in the Seminar with your papers/oral presentation/posters and provoking thoughts to make it a grand success.

**Theme and objective of National Seminar:**

The major objective of the Seminar is to protect our environment for future generation. Now a day, one of the major environmental problems with which world are struggling is environmental pollution.

The activities of the environment are gradually decreasing due to over exploitation of our natural resources as a result of which environment is becoming degraded. There are many reasons for environmental degradation such as human population, exploitation, Industrial development, and ecological damage, excessive use of fertilizers in agriculture, urbanization, and rapid development of means of Transportation.

1. De-forestation
2. Pollution (Air, Water, Soil, Noise)
3. Grasslands
4. Wetlands
5. Water Resources & its Conservation
6. Agriculture
7. Nanotechnology and Environment
8. Green Chemistry
9. Remote Sensing & GIS
10. Environment and Urban Development
11. Eco-Restoration
12. Bio-fertilizer & Pesticides
13. Environment Legislation and Enforcement
14. Environmental Ethics
15. Biotechnology and Environmental Protection.
16. COVID-19

**About Gwalior**

Gwalior is a historical city situated in state of Madhya Pradesh and well connected to all part of the country by rail/road and airways. The most memorable landmark of Gwalior include unique GWALIOR FORT, JAIVILAS PALACE OF SCINDIA, TOMB OF TANSEN & HIS GURU MD GAUSS, MAHARAJBADA, SUN TEMPLE, ZOO, TIGHRA RESERVOIR, GOPACHAL PARVAT AND SAMADHI STHAL OF RANI LAXMIBAI.

The climate of Gwalior in the month of March is very pleasant the average day temperature is around 25 to 30° c.

**About the Host Institution**

Govt. Kamla Raja Girls Post Graduate (Autonomous) College Gwalior was established in 1937 AD, the college occupies a prominent place and has wide reputation among the institute of higher education not only in the state of Madhya Pradesh but also in other states of Northern India, because academic achievements, the infrastructure properties and the financial richness of the college. The College is affiliated to Jiwaji University, Gwalior and recognized by UGC under section 2(f) and 12(b) of the Act, 1956. The National assessment and accreditation commission awarded the College "B" Grade in 2010 and it is also reaccredited with the Grade "A" in III<sup>rd</sup> Cycle in 2016.
