

Yearly Status Report - 2016-2017

Part A						
Data of the Institution						
1. Name of the Institution	GOVERNMENT KAMALA RAJA GIRLS POST GRADUATE AUTONOMOUS COLLEGE					
Name of the head of the Institution	DR SAROJ MODI					
Designation	Principal					
Does the Institution function from own campus	Yes					
Phone no/Alternate Phone no.	07512625495					
Mobile no.	9301116371					
Registered Email	gkrgcollege@gmail.com					
Alternate Email	krgc@rediffmail.com					
Address	Kampu Lashkar					
City/Town	Gwalior					
State/UT	Madhya Pradesh					
Pincode	474001					

2. Institutional Status	
Autonomous Status (Provide date of Conformant of Autonomous Status)	26-May-1995
Type of Institution	Women
Location	Urban
Financial Status	state
Name of the IQAC co-ordinator/Director	Prof Sanjay Swarnkar
Phone no/Alternate Phone no.	07512438173
Mobile no.	7000396363
Registered Email	iqac.krgc@gmail.com
Alternate Email	sswarnkar2@gmail.com
3. Website Address	
Web-link of the AQAR: (Previous Academic Year)	<u>https://krgcgwalior.org/uploads/aqar</u> /aqar1516.pdf
4. Whether Academic Calendar prepared during the year	Yes
if yes,whether it is uploaded in the institutional website: Weblink :	http://krgcgwalior.org/uploads/pageinfo /academiccalender1617.pdf

5. Accrediation Details

Γ	Cycle	Grade	CGPA	Year of		
				Accrediation	Period From	Period To

	3	A	3.03	2016	02-Dec-2016	01-Dec-2021

6. Date of Establishment of IQAC

08-May-2006

7. Internal Quality Assurance System

Quality initiatives by IQAC during the year for promoting quality culture								
Date & Duration	Number of participants/ beneficiaries							
28-Jun-2016 01	9300							
15-Aug-2016 180	120							
05-Jul-2016 01	111							
	Date & Duration 28-Jun-2016 01 15-Aug-2016 180 05-Jul-2016							

8. Provide the list of Special Status conferred by Central/ State Government-UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/Departmen t/Faculty	Scheme	Funding Agency		Year of award with duration	Amount		
GOVERNMENT KAMALA RAJA GIRLS POST GRADUATE AUTONOMOUS COLLEGEA	Autonomous	UGC		1995 1825	1000000		
	Nc) Files	Uploaded	111			
9. Whether composition NAAC guidelines:	on of IQAC as per lat	test	Yes				
Upload latest notification of formation of IQAC			<u>View File</u>				
10. Number of IQAC r year :	10. Number of IQAC meetings held during the /ear :						
The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional website			Yes				
Upload the minutes of meeting and action taken report			<u>View File</u>				
11. Whether IQAC received funding from any of the funding agency to support its activities during the year?			No				

12. Significant contributions made by IQAC during the current year(maximum five bullets)

Introducing 06 addon courses/short term courses - Travel and Tourism
 Management, Food Technology, Bioinformatics, Vocal Music, Dance and Instruments.
 Awareness programs were organized on disaster management, environment

protection, and cleanliness drive (SWACHH BHARAT ABHIYAN) in this session. 3. The feedback from various stakeholders - Students, Teachers, Parents, Alumni, Nonteaching staff collected and analysed for further actions taken. Open feedback session is also organized. On the basis of inputs obtained the academic departments and nonacademic cells and sections instructed to plan the strategy for next academic session and implement it accordingly. 4. Curriculum oriented guest lectures, some with multi disciplinary relevance were conducted by all academic departments for UG and PG classes. Orientation program for teaching staff was organised. 5. Orientation program for Class III and IV is organised on 18 September 2021 on the theme OFFICE MANAGEMENT.

.4 – Feedback System					
1.4.1 – Whether structured feedback recei	ved from all the stakeholders.				
Students	Yes				
Teachers	Yes				
Employers	Yes				
Alumni	Yes				
Parents	Yes				

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

KRGC has always been following innovative ideas and making a stand on sustaining quality in the areas of curricular, co-curricular, extracurricular and administrative services. The institute conducts feedback sessions for various stakeholders including students, teachers, non-teaching staff, parents, alumni, employers, industrialists etc. on a regular basis. The feedback is obtained on important aspects of, the utility of courses, framing and updation of syllabus, quality of teaching-learning process, and various innovative practices used in support systems. IQAC collected feedback from the faculty (regular as well as guest faculty) on curriculum and related aspects. Routine parents-teacher meet is the source of taking feedback from parents. The feedback process for session 2016-17 was started in the month of March 2017 and feedback obtained online through Google form. This process applied for all the stakeholders separately. The link of Google form shared with all the stakeholders and approximately 2 months is given to fill the responses. The feedback analysis is also done through the Google services and response sheets generated in various graphs. The analysis of feedback is put up before a statutory body for approval and afterward communicated to the concerned officials and incharge of various committees. IQAC framed the strategy for the improvement if it is required and started to work on the gaps through its various committees. The open feedback is also encouraged by IQAC. The faculty and IQAC members frequently consider the input from students and other stakeholders. The management of the college responds appropriately to oral comments received from stakeholders.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

Maintenance of IT facilities: The IT cell oversees the purchase, installation, software upgrades, repair and maintenance of computers and other IT facilities.The IT infrastructure is maintained by skilled and trained internal system administrators, supported by AMC service partners. Elevators, air conditioners, UPS, CCTV and generators are maintained by AMC

partners.Verification and maintenance of the auditoria and conference hall furniture, functionality of audio-visual, ICT and other facilities are done periodically by the technical staff. Maintenance of Sports facility: Department of Sports monitors the up gradation and maintenance of sports facilities, gymnasium and equipment through supporting and outsourced personnel. Personnel are available to provide services such as electrical work, plumbing, furniture upkeep, building maintenance, gardening, maintenance of sports facilities and housekeeping. Apart from the cleaning staff appointed by the Govt. Looking at the spread area of the college, College should outsource cleaning team from

outside Maintenance of Clean and Green campus: Natural beauty of the campus has been enhanced by effective landscaping. The green parks are utilised for recreation, group study and relaxation. The green parks of the college are maintained by a team of gardeners augmenting the floral strength of the campus.

Lyngdoh Committee report are franchised in the state. According to Higher Education Department MP rules and regulations, open election was conducted in 2017 to elect through voting the class representatives and office bearers to form Student Union. It was a proactive council that endeavored in promoting educational values and decorum inside and outside the campus. Since 2017-18 again student elections in the state are on hold due to reasons best under the purview of department of Higher education Govt. of M.P. The Student Council has student leaders with various portfolios and works in coordination with the Staff-in-charge of the committees, like Board of Studies, IQAC, AF Committee, Annual Function, Hostel Committee, Sports Committee, NSS, NCC and Career Guidance Scheme Cell. In all, through the student representatives the leadership skills and initiative in students are nurtured proactively by motivating them in organizing all activities and functioning of the committees. All extracurricular activities like Singing Dance competition, Fashion show, Debate, etc. are organized as a part of the Youth Festival Competitions. The winners in these events compete in State and National level competitions. The NSS program in the college is efficiently conducted with three units and more than three hundred volunteers. The volunteers arrange activities round the year in which they participate, interact and grow. These activities include social awareness activities, environmental awareness activities and cultural activities. Students participate in a seven day camp and are further selected for state and national camps. The NCC is operated in the college with two units and more than three hundred cadets who participate in various activities of social and national concern. The NCC camps give opportunity to enhance skills among students. Swami Vivekanand Career Guidance Scheme Cell offers various programs for the overall development of the students which include skill development programs, career counselling, personal counsel, personality development, competitive edge building and entrepreneurial skills. The workshops are organized inviting experts from different spheres including current themes like digital marketing, photoshop, photography etc to suggest new avenues of career . It also generate competitive spirit in the students. The Earn While You Learn Scheme helps them to learn entrepreneurial skills. They arrange Melas like Sawan Mela, Diwali Haat to sell their handmade products like Rakhi, Bangles, Cards, clay divas, etc. It is a platform to enhance their skills of marketing their products. The career cell committee members give their valuable guidance to the students in their free hours. The students are encouraged to take civil services and other competitive examinations. Udaan coaching

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

An organization's alumni are the reflection of its past, representation of its present and a link to its future. The college is a centre for learning and mass education for girls since 1937. It has active alumni since 2006. The alumni association was formed by the than Principal Dr. Asha Mathur, a visionary alumni of the college, as per the MP Registration Society Law 1993 (Ref Letter No 2/42/01/10277/6 date 09 May 2006). Since then the alumni has been interacting in unique ways with the college. The objectives of Alumni Association are : - To establish and maintain contact between past and present students through various activities - To establish interaction with Industry for the benefit of students To extend financial support to the needy and deserving students - To extend counselling (career as well as personal) support to present students The prominent alumni of KRGC are Padm Shri Dr. Uma Tuli, Bal Shri Miss Aadya Dixit, Vice Chanceller Prof. Sangeeta Shukla and Prof. Nisha Dubey, Additional Director of Higher Education Deptt. Prof. Kirti Saxena, Principal of Govt. colleges Prof. Asha Mathur, Dr. Ramesh Sharma, Dr. Archana

Bharadwaj, Dr. Vijya Sareen, Dr. Manju Dubey, Professor in Deptt. of Higher Education Dr. Anju Gupta, Dr. Jyotsana Rana, Dr. Alka Maurya, Dr. Kumkum Mathur, Dr. Vimlesh Agarwal, Dr. Veena Shukla, Dr. Neeru Gupta, Dr. Preetibala Shrivastava, Dr. Beena Singh Sahni etc. The officiating members of KRGC Alumni Association are: Major Asha Mathur, President Prof Ramesh Sharma, Vice President Dr. Rashmi Pawar, Vice President Dr. Archana Bhardwaj Secretary Dr Aruna gangajaliwale, Joint Secretary Dr Veena Shukla, Joint Secretary Dr Anju Gupta, Treasurer Dr Madhu Laxmi Sharma, Member Dr Vimlesh Agrawal, Member The Alumni Association has added feathers to the cap in various fields giving the college national and international acclaim. They share a wealth of experience through different modes like discussions and counseling. They are our best ambassadors, offering valuable marketing and promoting across their personal and professional networks. Alumni take active participation in the academic advancement and syllabus up-gradation by being active members in BOS and other committees of the college. Every year a sports and fitness training camp is organized by the alumni for two months i.e. May and June. Alumni visit the college to relive their memories and interact with the present students. Alumni of the college provide endowment lectures for the benefit of the students. Alumni members also provide financial support to poor students. They give support to conduct Job fair and Udhymita Mela. The various activities of the alumni are conducted with the support and guidance of a committee at the college level. Dr. Anju Gupta is a coordinator of this committee.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The administration of KRGC is quite decentralized and academic non-academic responsibilities delegate with Academic Secretary, Deans of faculties, Heads of Departments and Coordinators of Self Financing Courses, Controller Examination, Administrative Officer etc.. There are more than 75 committees, cells and sections constituted for academic and non-academic works. The college organised periodical meetings of various committees and ensure to frame plan and strategy, to execute and monitor it, and analysie and evaluate the activities. All stakeholders included in the strategy for quality administration. A periodical review of syllabus and curriculum is regularly done for each discipline and department to update and deliver quality education to the students. The role and functions of the Board of Studies and Academic Council are closely monitored to assist them to function effectively. Academic Cell prepares the institutional academic calendar with the help of HODs and Examination Cell. Academic meetings with HODs are organized by Academic Cell to decide upon the dates. After sincere discussion on various phases of calendar it is framed and communicated to all departments after signature by the principal. The faculty members of various streams are also involved in decision making process at various levels. At the Department level, the Head of the Department holds the responsibility of motivating and mobilizing the opinion, suggestion and feedback from the staff members at all aspects of administration

and academics. Heads / Coordinators pass it on to the Academic Secretary and Academic Secretary puts it before Principal and Chairman of the Academic Council and IQAC for facilitating the process of decision making. Teaching staff members hold various administrative positions which are as follows: Academic Secretary, Controller Examination, Administrative Officer, Deans, HoDs, Members of Academic Council, Staff Council, Governing Body, Janbhagidari Samittee (PPP-Public Private Partnership). The process of decision making in KRGC involves the following statutory bodies: Governing Body, Academic council,

Janbhagidari Samittee (PPP-Public Private Partnership), Staff Council, Administrative Advisory Board, Forum of HoDs and Coordinators, Departmental Board of Studies. Apart from these Officials Forum, Students' Union also has been consulted on matters of concern related to students. Scholarship Disbursal Management (SDM) : Scholarship form forwarding and disbursal is one of the most cumbersome and diligent task, executed by the college administration. 90 of the college students get Scholarships/ awards or benefits under one or the other schemes which includes Post Matric SC, ST, OBC, Gaon ki Beti, Pratibha Kiran, Awaas Yojna, Awagaman Yojna, Central Sector, Aggregated Scheme etc. This Year a nodal officer is appointed amongst the faculty not less than the designation of Associate Professor to take care of these schemes. Different subcommittees are constituted under Nodal officer for various scholarships. Apart from faculty members there are members from class III section also included in these committees. In Scholarship Disbursal Management (SDM) college administration made different teams for Form Collection and Form forwarding. Finally scholarship forms are approved by the principal (institutional sanction authority) and sent online to respective scholarship portals for scholarship sanction to students. The work of Form Collection and Form Forwarding

6.1.2 – Does the institution have a Management Information System (MIS)?

No

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Curriculum of UG Programs is provided by the department of Higher education Govt. of Madhya Pradesh, which is being developed by the Central Board of Studies. Curriculum for P.G. Courses is designed by the affiliating university Jiwaji University, Gwalior. As far as
	the curriculum for self finance subjects are concerned, some of them are being developed by the Central Board of Studies and some other by the board of studies of the university. Many faculty members of this college are the Chairperson/members of various Central Board of Studies and board of studies of University. The template for the overall curriculum is prepared through consultative process among the
	<pre>various stakeholders initiated by the Academic Secretary and Academic Deans. Based on their inputs, the type of courses and the number of allied/optional courses are stipulated and contents are prepared by the</pre>

	respective departments. All curriculum of UG and PG programs placed before Board of Studies of related subjects by the departments. BOS is constituted as per prevailing norms of the Jiwaji University Gwalior and University Grants Commission - UGC that includes members from industry, representation from students and alumni. After getting recommendation from BOS the curriculum is approved by the Academic Council of the college. The provision of 20 deviation in above curriculum is permissible for Autonomous Colleges in the norms of the Department of Higher education Govt. of Madha Pradesh and Jiwaji University, Gwalior. These norms are followed by the Board of Studies of this college. The curriculum is, thus, finally evolved after incorporating the suggestions from members of the Academic Council. Curriculum is implemented imbibing different methodologies. Curriculum for value added courses/short term courses is developed by the college. It is placed before related Board of Studies for recommendation and finally approved by the Academic Council of the college. The curriculum of value added courses is developed keeping in view the market orientation and local need of the parent subject. The Course Outcomes are outlined in alignment with the Programme Specific Outcomes which ensure the fulfillment of Programme Outcome. The status of autonomy helps the college to restructure the curriculum with due consideration of suggestions from stakeholders in order to make it relevant to contemporary times.
Teaching and Learning	All UG/PG programmes run in this college have the formal pedagogy of teaching and learning within the curriculum with stipulated marks and grades such as tests, assignments, seminars, projects, field trips, industry visits, internship, lab work etc PG students submit their projects allotted by the departments within the curriculum. Ph.D. scholars of various research centers research on socially relevant areas for their thesis. Teaching and learning procedure in the college is a mixed blend of traditional, modern and ICT based methods. Depending upon the topic to be

	covered. Teachers notify their mode of teaching to students. Lesson plans are prepared by teachers and notified to students well in advance to make teaching more participative and student centric. Students are informed about flip classes well in advance. Different teaching methodologies like traditional teaching through board, ICT based teaching, experiential learning, project based teaching, lab work, workshops and seminars are used.
n and Evaluation	The Controller Examination - COE office, which is run in Examination Cell, has its exclusive management system to manage its various requirements in the process. All aspects of the system are systematically developed. Examination System starting from online registration, enrolment process, submission of online examination form, online entry of CCE as well as practical examination marks, to downloading results and verification. Different CCE modes are utilized for internal evaluation of different classes. Evaluation is done through different innovative methods like open book system, students has participation in the evaluation mechanism a cumulative judgment sheet is prepared and marks are communicated to the individual student. Semester and Annual Examinations are conducted in the shifts as decided by the COE. A team having senior professors is appointed to conduct these examinations. The examination protocol is as follows - Centre Superintendent - Shift Superintendent - Assit. Shift Superintendent - Assit. Shift superintendent - Assit. Shift superintendent - Assit. Shift superintendent - Saistant Superintendent sare appointed one @ 300 students ratio. Permanent Invigilator and shift Invigilators are appointed one @ 25 students. There is a provision of flying squad which is separately appointed for each shift. The mark statement of KRGC has 13 security features. The IQAC conducts quality
	audit through department evaluation at the end of each year for improving the academic quality. Students can peruse the valued answer scripts of the internal tests. There is a provision to apply for review or revaluation of answer scripts of the final examinations.

	1
Research and Development	<pre>KRG College has recognized research centres in 16 subjects - Hindi, English, Sanskrit, Urdu, History, Sociology, Political Science, Economics, Philosophy, Music, Drawing Painting, Geography, Commerce, Home Science, Zoology, Chemistry. All research centeres are recognised by Jiwaji University, Gwalior. 56 professors are research supervisors/guide in these 16 research centers. Apart from these teachers Dr. N.K. Nagaich, Professor, Psychology is also recognised guide with research centre at other college. These research centers promote research work on socially relevant issues and need of local society. College has a Research and Development Cell - RDC, which takes care of Research and development related activities. RDC motivates teachers to submit research proposals to different funding agencies. RDC publishes an Inter-disciplinary international Journal, Creative Discourse. Students are also promoted to opt for small research based projects to strengthen RD ecosystem of the college. College has Intellectual Property Right Committee - IPRC for maintaining ethics in research work conducting in the institute. Another committee for Industry Academia Collaboration - IACC works on</pre>
	this college. The college is going to establish Entrepreneurship Development
	Cell - EDC.
Library, ICT and Physical Infrastructure / Instrumentation	The high-quality library facilities are available in the Central Library of KRGC. It is automated through SOUL 2.0 software. This enabled the computerised transaction of books (Issue books). College has NLIST membership and teachers and students can use NLIST. College has e-library with 21 computers. E-library provides access to educational websites and e-content. The main feature of Central Library is its KIOSK, which helps teachers and students to search their required books. Central Library has partial open access and provides for reprographic facility. Library operating hours are from 10.30 am to 5.30 p.m. in the regular working days and from 8.00 a.m. to 7.00 p.m. in the examination days. Librarian of the Central Library helps

	students in lending and borrowing books from the library. PG departments and departments under Self Financing Scheme have their own libraries which are looked after by the faculty of the department. Department of Law has a separate guest librarian to look after the departmental library.
Human Resource Management	<pre>Human Resource (teaching and non- teaching staff) is managed by the Department of Higher education (DHE) Govt. of M.P. as per the guidelines of UGC. The recruitment process has been carried out by Madhya Pradesh Public Service Commission - MPPSC, Indore. As per the results of the recruitment process provided by MPPSC the Secretary of DHE Govt. of M.P. appoints staff for this college. The DHE Govt. of M.P. provides funds for the enhancement and maintenance of infrastructural facilities of the college and principal of KRGC with the help of administrative staff and maintenance team implemented the orders of higher authority. DHE provides the guest faculty against the vacant teaching posts. The process of appointment of guest faculty is online and there is a chartered mechanism for this. KRGC follows the process of appointment of guest faculty for self financing courses/subjects. The Principal of the college is responsible to appoint guest faculty. There is appraisal system adopted by this institute for teaching and non-teaching staff. The process is guided by DHE. According to the process the IQAC of KRGC plays a vital role in bringing out an Academic Staff Performance Indicator. The performance indicator for teaching staff incorporates details of lectures delivered, remedial, teaching-learning programmes and supports extended to slow learners for enhancing their competency. It also throws light on the research efforts, publications, organizing and attending conferences and academic programmes like FDP by the staff members. The details regarding various awards, honours and recognition conferred upon them and various administrative responsibilities held by them are also included. The score sheets are prepared by the IQAC and submitted to the Principal for appropriate remarks. The principal put it before Additional</pre>

	Director of Higher Education, Gwalior- Chambal Division for review remarks. Finally these appraisals sent to Commissioner, DHE Bhopal for further necessary action.
Industry Interaction / Collaboration	The college administration has provision to appoint a representative from the industry in Board of Studies of various subjects as per guidelines of UGC. Hence representative from the industry is always a part of curriculum development of the college. The curriculum of both UG and PG has a component of project and internship. Hence all students have to contact local industries for it. Many linkages are created for industry and academia interaction for this purpose. There is another provision to have a representative from the industry in IQAC. A representative from the industry gives valuable suggestions for quality enhancement in the field of entrepreneurship and placement. Employment and Placement Cell of KRGC always keep in touch with industry management and entrepreneur for conducting Job Fair and Udhymita mela. All departments regularly organize guest lectures, extension lecture, endowment lectures, seminars, conferences, workshops and other academic activities always in collaboration with industry. Research Development Cell also organizes workshops for collaboration with industry. College administration always promote to have MoU with good industries.
Admission of Students	The admission process for all UG and PG programmes including self financing programmes is done completely online through online admission portal managed and hosted by DHE Govt. of M.P. It is a well chartered procedure for all Govt. HEIS of M.P Admission Rules and guidelines are framed by DHE which takes into account reservation policy updated time to time by the govt. of M.P. Hence this college also adheres to the reservation policy of the State Government. Generally admission process is completed in a three steps - first two counselings are online and Last step is college level counseling, which is also conducted online. All admissions to the opening batch of the

of faculty change/subject change and admission related grievances redressed within 10 days. Induction programme for freshers is conducted in first and second week of July every year. Admission process for Ph.D scholar is conducted by Jiwaji University Gwalior and university allotts the research center to the scholar. After allotment of research center scholar takes admission in this college. Admission for value aided/short term courses is managed by this college. Admission in KRGC is made based on General, OBC, SC, ST, Minority, Sportsmen, Economically deprived, Physically Challenged	respective programs are completed by
of faculty change/subject change and admission related grievances redressed within 10 days. Induction programme for freshers is conducted in first and second week of July every year. 6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Planning and Development	The College has its mechanism for Planning and Development and through this facility administration collects information regarding the upcoming events to be conducted. College website is systematically updated with all the information required for admission, scheduling time table, exam dates. This ensures scheduling and time management for various activities. E-Governance based system is available for the following processes: online Admission (Requirements, Eligibility, Prospectus, Online Enquiry Form, Academic Calendar, Academic Time-table) Online Examination Facilities (Examination Calendar, Examination Form, ATKT Form Filing, Results, Exam Time Table, Passing Standards, Unfair Means) online Railway Concession Forms, online Attendance certificate, online Alumni registration form, online grievance redressal form, online Feedback forms. Proposals for budget allotment are invited online through email provided by DHE, Govt. of M.P. and this college provides the requirement to the government through online mechanism. On the basis of requirement and quality improvement government sanctioned different development schemes and release funds online.
Administration	The KRG college has a management system through which academics non-

	academics and administrative aspects managed by different cells and
	sections. Student Data, General Administration, Admissions, Fees,
	Scholarships, Fellowships, other welfare schemes etc., and purchase of
	various requirements of departments and
	centers are effectively and efficiently
	managed by administrative staff. This
	administration system enables a fool
	proof mechanism for documenting,
	monitoring and controlling various
	transactions which are financial,
	academic and administrative in nature. Student's database maintained through
	physical data entry in ledger called
	PATHA. Use of KRGC MIS software is done
	through University and Govt. Portal.
	Government Scholarship and Caste
	Validity is done through the Government
	of Madhya Pradesh portal. Online
	purchase is done through GEM portal and
	MPLUN portal.
Finance and Accounts	Account section of the KRGC is fully
	automated. It works through IFMS PFMS and MIS. Salary Component and other
	treasury related issues are taken care
	of through SWAN connectivity. The
	finance committee of this autonomous
	college prepares the budget for the
	academic year by taking into account
	the requirements of the departments,
	various cells and units, research units and offices. The budget is presented
	before the Governing body for its
	approval. The committee approves the
	raising of funds and utilization of the
	same as per details specified in the
	budget. In case of fund requirements
	which are not budgeted earlier but required on special permission are
	usually considered on the basis of the
	proposal. The proper procedure for the
	purchase has been adopted by the
	college with the help of ERP. Various
	checks and balances are created for
	well-defined and monitored purchases
	according to the various requirements of the college with the help of the
	purchase committee. The college
	monitors the utilization of expenditure
	of the departments and various units.
	Income and Expenditure are closely
	monitored by the Bursar office, Chief
	Financial Officer and the Principal. Internal Audit is completed by a team
	of professors coordinated by a senior
	professor with accountant as the member
	I I

	of the team. Another way of Internal Audit conducted by Chartered Accountant. External financial audit is also done by Accountant General of M.P. (AGMP Gwalior) in every 3 years.
Student Admission and Support	Though student Admission process is conducted through online admission portal hosted by Department of Higher Education Govt. of M.P. but the KRGC have all facility to manage online admission process through e-governance. The college has separate cell for online admission process and it is well equipped. Support system for students is also managed through e-governance by the institute. All Govt. Scholarships are also taken care of through online process. There is Scholarship cell and it works through e-governance. Scholarships, Fellowships and Welfare schemes are managed on various related online portals. The students of this college received information regarding student support facilities through college website and other e-sources. This institute is responsible for giving quick response for all student support facilities to young aspirants from the marginalized sections of the society. Thousands of students are benefited from scholarships, Fellowships and other welfare schemes through institutional e-governance.
Examination	Examination cell of the college follows e-governance to conduct complete examination process. All infrastructural facilities for the conduct of examinations which include computer systems, heavy-duty printers, photocopiers, scanners, cameras are available with examination cell. Exclusive software and vigorous checking mechanisms are outsourced for management of examination. The institutes prime motive is to establish integrity and confidentiality in examination through e-governance. Examination cell uses complete automation of all examination procedures, from enrolment, issue of admit cards, online entry of CCE and Practical marks, generating mark lists and online results are the main features of this e-governance. End Semester/Annual Examination results makes available online through college portal.

	Yes/No	Agency	Yes/No	Authority			
Academic	Yes	Yes Yes, academic audit of teachers is done through ACRs		Principal and IQAC Team			
Administrative	Yes	Yes Financial Audit is done		Principal and IQAC Team			

6.5.2 – Activities and support from the Parent – Teacher Association (at least three)

The KRG College conduct Parents-Teachers meet regularly once in a semester and twice in an academic session. They support the administration with their valuable feedback and suggestions on curriculum and various facilities in the college. Some parents are also the alumni of the college henceforth they are actively involve in various activities of the college. Induction program, Counseling session, Feedback session are the main occasion when parents involve in the system as stakeholders.

6.5.3 – Development programmes for support staff (at least three)

KRGC has nearly 70 members of administrative or support staff. An orientation programme for all administered staff is conducted regularly on Administrative and Official Management. Small sessions of instrumentation training for technical staff ICT training for ministerial staff health and fitness training for all staff are conducted in this institution.

6.5.4 – Post Accreditation initiative(s) (mention at least three)

The KRG College received recommendation from NAAC Peer Team of Third Cycle and responses on it are as follows : 1. Efforts are made to fill up the sanctioned posts. All 114 full time teachers are working in the college. 2. The college has made robust efforts to strengthen ICT. More smart class rooms and multimedia classrooms are developed. 3. Central Library is now fully automated. e-Library is extended and KIOSK is installed in Central Library to provide more facility to the students and faculty members.

Percentage of power requirement of the University met by the renewable energy sources

Campus has two solar street lights in this session to reduce energy consumption. The process of installation of RESCO roof top on Grid solar system to meet the electricity requirement of college through renewable energy is in process. College has entered into MOU with AZURE for 25 Years for this system. Netmetering has been done the electricity bills are slashed by 80 percent. This College has Switched from traditional yellow light bulbs and tube lights to LED upto 80 percent. Practices like Energy Audit, Green Audit and Environmental Audit are also in place for creating healthy environment in the campus.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

The KRG college has a mission of CLEAN CAMPUS-GREEN CAMPUS. The motive of this mission is to maintain the campus green, clean and eco-friendly. Students of various streams also take participation in the initiatives through environmentrelated activities like plantation. Upholding the National Mission for Green India, KRG College has undertaken noteworthy initiatives such as: Expansion of rainwater harvesting and reusing the purified water for gardening and maintenance of the sports field. Maintaining solar panels on campus to tap into the renewable energy and conserve energy through use of CFL, LEDs and T5 tube lights. Only two-wheeler parking facility for the students is allowed as a measure to check the emission of carbon dioxide. Four-wheeler parking is discouraged to prevent accumulation of pollution. Automobiles are strictly prohibited in the campus once in week. The college is practicing the use of enotices on the college website, digital boards, and televisions. The Hazardous waste management in science laboratories is also applied.

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

Title: JAGRATI, community service program - (as institutional social responsibility) 1. Objectives of the Practice • It is part of our mission which envisages over all development of our girl students. • To sensitize learners to social responsibility. • To develop strong bond with stakeholders. • To create platform for interdisciplinary/multidisciplinary activity. • To fulfil one of the objective of higher education which encompasses community service as important component of learning program. • To understand the community in which they work. • To understand themselves in relation to their community. • To identify the needs and problems of the community and involve them in problem solving process. • To develop among themselves a sense of social and civic responsibility. • To utilize their knowledge in finding practical solution to individual and community problems. • To develop competence required for group living and sharing of responsibilities. • To gain skills in mobilizing community participation. • To acquire leadership qualities and democratic attitude. • To develop capacity to meet emergencies and natural disasters • To practice national integration and social harmony. 3. The Context After independence, India has reached a new height in economic growth and development but some serious issues related to gender discrimination, urban poverty, conditions of baths and minorities have still remain unattended. For holistic sustainable development we require enhanced human competencies and new institutional capabilities. Thus, today in this knowledge driven society the 19th century idea of universities is undergoing significant changes. It is in this context that social responsibility in higher education has been placed as an important pillar for future plans. By improving and increasing engagement

with communities, higher education institutions can reinforce the value of social responsibility. The concept of ISR (Institutional Social Responsibility) has many fold roles in today's academics. It is an advanced tool to impart and advance knowledge of ecology, life sciences and physical science and technology, on the other hand touching all aspects of social sciences. All stakeholders in institution are benefited by these programs, primary beneficiaries being student. Students gain work experience and can improve their employment prospects. These programs help in curriculum development, research and also open door to consultancy. At the same time poor and deprived communities of the societies get access to services and resources by these programs. 4. The Practice JAGRATI is a program, operative since 2010. It is program which takes up social issues prevailing in community. Uniqueness of the program lies in its contextual significance and holistic approach. In this program students from various classes, course, discipline, teachers, (members of the various cells), and other members of the administration work as a group and contribute in the upliftment of unprivileged section of the society. Activities involved in this program are classified in three categories. Incampus services: These services are considered as moral obligation towards institution and perform with the objective to enhance beauty of the campus, ecoconservation and to improve the teaching learning environment of the

institution. Some of the activities which are routine practice - •
Feeding/caring /protecting/conserving avian fauna (birds, parrots, crows and
peacocks) in campus. • Conserving natural flora of the campus. Beautification
of the campus. • Cleanliness drive: environmental cleanness. • Awareness for
polythene free campus. • Green campus. • As support system - differently able
students, Members of the group SAHELI Under the guidance of Equal Opportunity
Cell. • DIVYA- the group of hostlers. Inspires, guides, motivates their junior
students, anti-ragging squad. • SAMRIDHHI - a group of advanced learners who
support, guide, assist their slow learner class mates. • Vivekanand Cell
organizes various self-grooming, job oriented programs for non-regular
unskilled/semi-skilled workers in the college. Off Campus service : For these
activities group members target a specific site/ place/ institute with specific
issue and offer support/ guidance in various way. • In rural slum area
awareness programs are conducted. • Anti-tobacco Campaign. • Save girl child. •
Gender discrimination. • Health and hygiene education. • Voter/Aadhar card

register support in school colleges. • To inspire, guide for higher education (as a part of college chalo-abhiyan). • To update students with latest information on science, social science, civics, humanities and social issues. •
Health awareness campaign in hospitals. • Volunteers in Pulse Polio Program. •
Health hygiene, mother care program. • To make mother and pregnant women aware of Govt. policies and supports. • Structured social services by experienced

professionals. • Survey, analysis of causes and curative measures in Undernourished children of Khori Village in Karhaal block dist. Sheopur (M.P.) in collaboration with Govt. Agency. • Teachers from various department deliver lectures, deliver radio talks, TV programs demonstration of training programs for elite stratum of society. • Teachers from music and fine arts train amateur individual to develop their hobbies as profession. 5. Evidence of Success • As the evidence of their exemplary performance and contributions towards society the staff and students of various programs and committees bagged many award. NSS coordinator and volunteer receive certificate of appreciation for blood donation and energy conservation. Students developed the sense of

responsibility, learnt, acquired work skill and were able to visualize and analyze social issues prevailing in un-privileged communities. They also learnt the art of independent working /working in groups as team. Improved soft-skill such as communication, punctuality, sincerity and keeping appointments. • These programs provide teachers with opportunity to generate new knowledge, offered new research subjects and give immense contents. Targeted committees got aware with govt. policies schemes and acquired access to resources/agencies. 6.

Problems Encountered and Resources Required • Constraints - No finances are available to support these programs. • There is considerable gap between need and resources. • Only small groups can be targeted. • Unavailability of transport is the great constraints to start these activities only in nearby areas not where these most required. • No follow-up sessions can be arranged. Title: IT/ICT in Teaching, Learning and Governance 1. Objectives of the Practice • To improve quality of teaching-learning and governance. • To promote mass learning/distance learning. • To minimize /optimize the use of paper and other valuable non-renewable resources. • To increase GER. • To meet the challenges of shortage of resources. (faculty/infrastructure/library resources). 3. The Context Information technology and information communication technologies have become common place entities in all domains of society. Within education also ICT has begun to make its contribution. In India education is facing challenges in terms of access, equity and quality. Our institution is also taking appropriate initiatives to improve GER and quality of education. The draft national policy on education framed in 1980, modified in 1992 stresses upon employing IT to improve quality of education which has been included in vision and mission of NPE. We realize that IT/ICT can act an enabler and catalyst to fuel the growth of our education. Use of ICT for promoting education has always been a part of most of the Govt. policies and plans. On education UGC and MHRD also favoring inclusion of computer and internet based new technologies (cloud computing/virtual classrooms). These technologies play a bigger role in transforming higher education creating a social, highly collaborative and personalized environment for student learning. Deptt. of Higher Education, Govt. of M.P. is also planning to provide smart phones to students to ensure effective teaching learning process. 4. The Practice • College has set up 10 smart class rooms to facilitate effective and improved content delivery. • Computerization of library resources. • Teachers prepare e-study materials. • The campus is Wi-Fi enabled. • Through the use of CCTV camera, transparency in working has been achieved. • Biometric machines have been installed. • Teaching and administrative staff maintain the punctuality. • Question banks, exam result, time table, advertisements, notices are uploaded in website which can be accessed even in remote areas. • All the departments have developed their e-mail ids which are used for sharing notices, information and other official documents. • Students also submit their queries, assignment, project reports, seek guidance from their mentors/guides through their mail IDs. • Computer awareness and application have been included as on component in syllabus. 5. Evidence of Success • Besides learning main subjects, students have become computer friendly. • Administrative staff is showing better and enhanced performance. • Work load has been reduced. • By using IT/ICT, College has been able to meet the challenges of faculty shortage upto certain limit. • Teachers became updated with latest developments in their subjects. • Use of paper has been minimized. • Transparency of work has been enhanced. • Online admission process helped to increase GER. 6. Problems Encountered and Resources Required There are some obstacles against the smooth functioning of this practice. Some of these are given blow : • Lack of IT awareness in teaching and non-teaching staff. • Insufficient of IT infrastructure, • Lack of finance. • Paucity of skilled personnel. • Negative attitude. • Lack of institutional ICT policy. The following strategy has been adopted by the College to overcome the obstacles : • The College has prepared

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

https://krgcgwalior.org/Eng/page/bestpractices

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Title: KRGC Multidimensional Learning to Students from Marginalised Section : KRGCML is a special initiative focused on students from deprived section that aims to develop professionals who are knowledgeable and socially responsible. The student strength of the college is approximately 12519, of which more than 60 students come from low and backward Socio-Economic backgrounds and are first generation learners. Students belonging to Scheduled Castes, Scheduled Tribes,

Other Backward Classes, Minorities, Economically Weaker Sections, and Physically Handicapped are representing such marginalized sections, to which every facility of the institution is provided by this college to provide higher education. All the above categories are given priority to get admission in the college and seats are reserved for them as per the norms of the government of Madhya Pradesh. As a result, students from different sections of the different regions become successful in taking admission in this institute. Many highly qualified and skilled professors are employed with the various streams in this institution. There are 151 teachers working at the college, and 124 of them have PhDs. 30 percent of these teachers are belong to reserved categories. Through these good teachers, students of the faculties of Arts, Commerce, Science, Computer, Law, Management, Home Science etc. are being imparted education by adopting the best teaching methods in the college. Hence the college students examination outcomes are consequently improved. The institute is unique in the sense that Hindi, English, Sanskrit, Urdu and Marathi languages are taught in it for underprivileged students. For this, a separate language study center has been established in the institute. Out of these departments, research centers have been set up in Hindi, English, Urdu and Sanskrit departments and short term courses are also organized in them so that the students of disadvantaged sections can get the benefit of language study in a convenient way. Many programs are organized by the department for the promotion of their respective languages through the students and students get an opportunity to make their future bright as a result of this facility.

Provide the weblink of the institution
