BEST PRACTICE – I

Title:

TECH-KRGC : MULTI-DIMENTIONAL USE OF IT/ICT

OBJECTIVES OF THE PRACTICE:

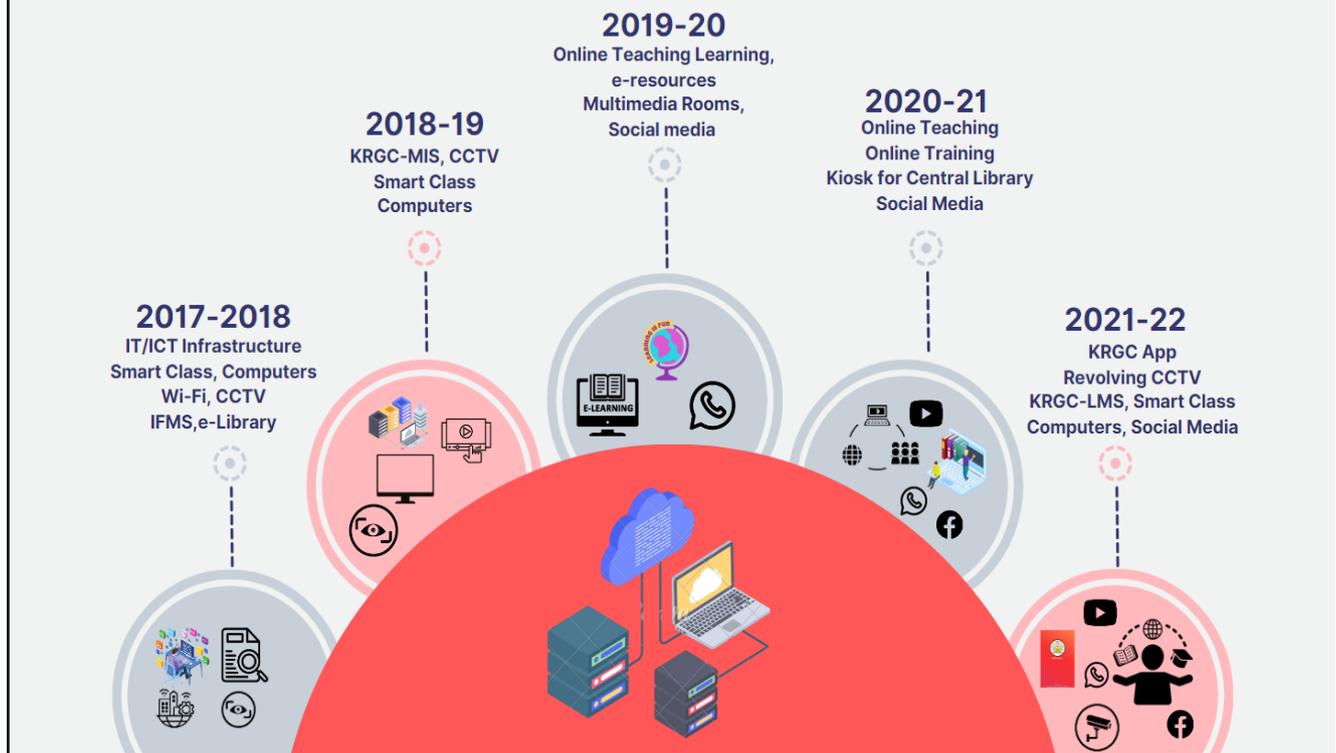

- To promote the Skill of learning and improve learning resources by use of IT/ICT tools such as multimedia, digital library, internet tools, world wide web and hypertext/hyper media.
- To support the process of learning to accelerate the teaching and learning efficiency.
- To motivate students and faculty members towards innovative learning to enrich the process of teaching-learning Instruments.
- To provide flexibility and variety in teaching-learning.
- To provide strong and dedicated internet facility to enable large number of computers with international and national tele-communication networks.
- To develop digital library for safe storage and multiple access of e-material and information.
- Creating an environment of e-governance to reduce the use of paper in governance.

3. The Context

The College, in its mission statement emphasizes the need to empower young women through holistic education integrated with traditional knowledge in teaching-learning to achieve academic and all-round excellence infused with skills for self-sustainability. To accomplish this, the college understands the need to set up an environment for state-of-the-art teaching-learning and e-governance through the IT Cell which initiated TECH-KRGC to address this issue.

RoadMap for IT/ICT

There are some limits to the traditional style of teaching using the chalk-talk-walk (lectures and books) technique, such as board management, tidy diagrams, and handwriting abilities. ICTs may now offer competency and performance-based curricula that effectively utilise the advantages of these technologies with the help of IT/ICT tools viz. Computers, Multimedia, Internet, Smart Class, Smart Phone, e-books, Lectures etc.

It all requires the participation of faculty members in the preparation of online teaching resources, multimedia presentations and creation of online video lectures. Students get benefit from the teachers' creation of meaningful learning opportunities. In this college the concept of digital library, where the students, teachers and educators can access research and course material from around the globe instantly, it is possible due to ICT based digital resources.

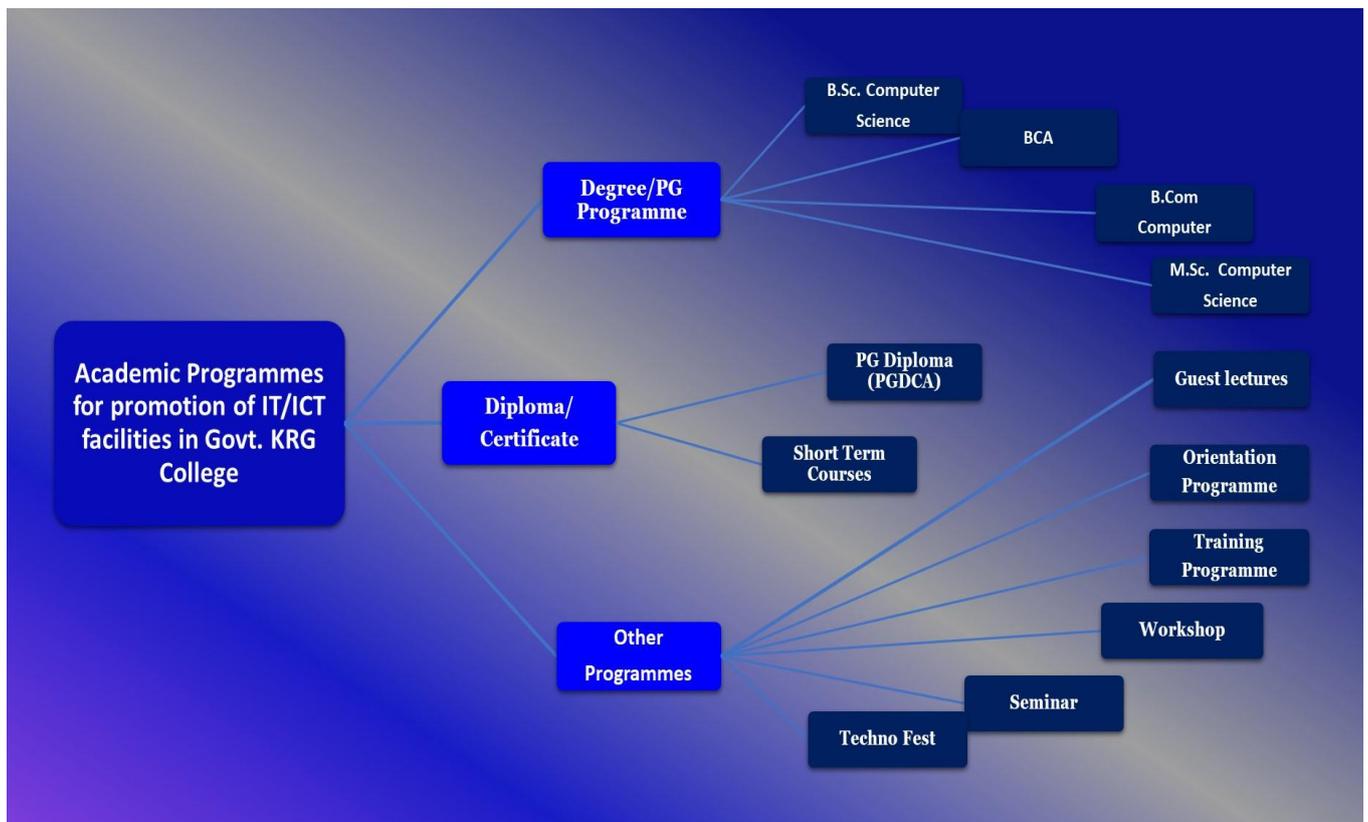

Also sharing of knowledge is possible now due to networking of academics and students for sharing scholarly materials and innovative ideas. The digital documentation also avoids duplication of work and overcomes plagiarism. The implementation of ICT in education develops higher order skills used to prepare the work force for the well informed, skillful society and enhance the global economy.

The success of using ICT in teaching-learning depends on the proper use of IT in office work. It can be possible to use ICT widely in classes only if the staff is aware of IT/ICT.

4. The Practice

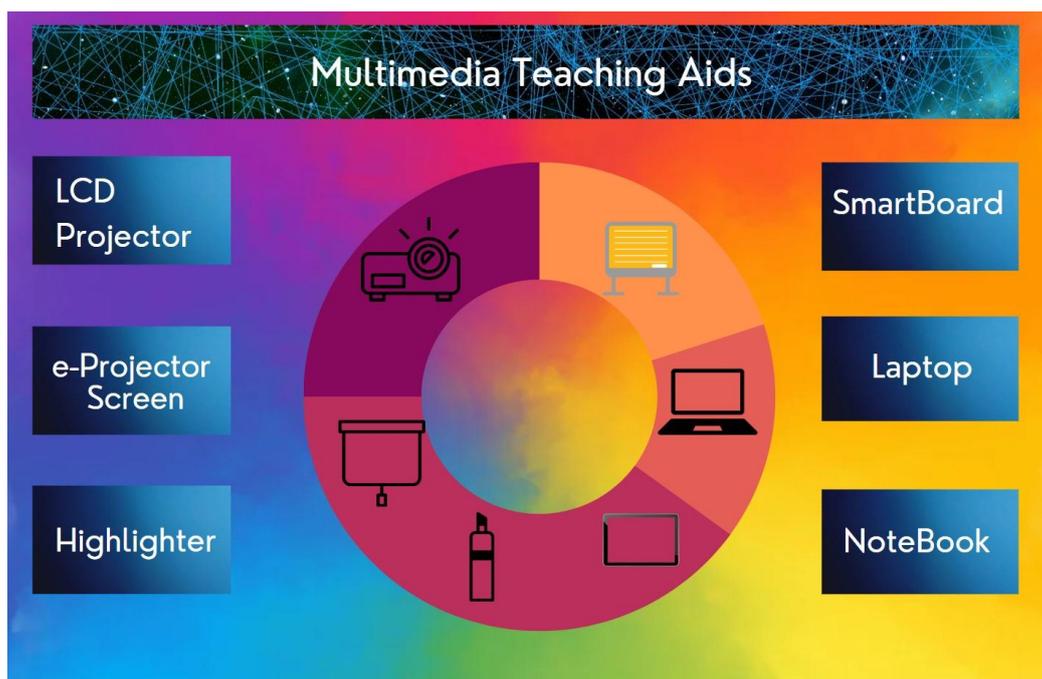

TECH-KRGC provides opportunity to develop both IT and ICT infrastructure in the campus and prepare students and staff to use this practice in wide scale to transform this institution into fully TECH-KRGC.

Academic Programme on IT/ICT :

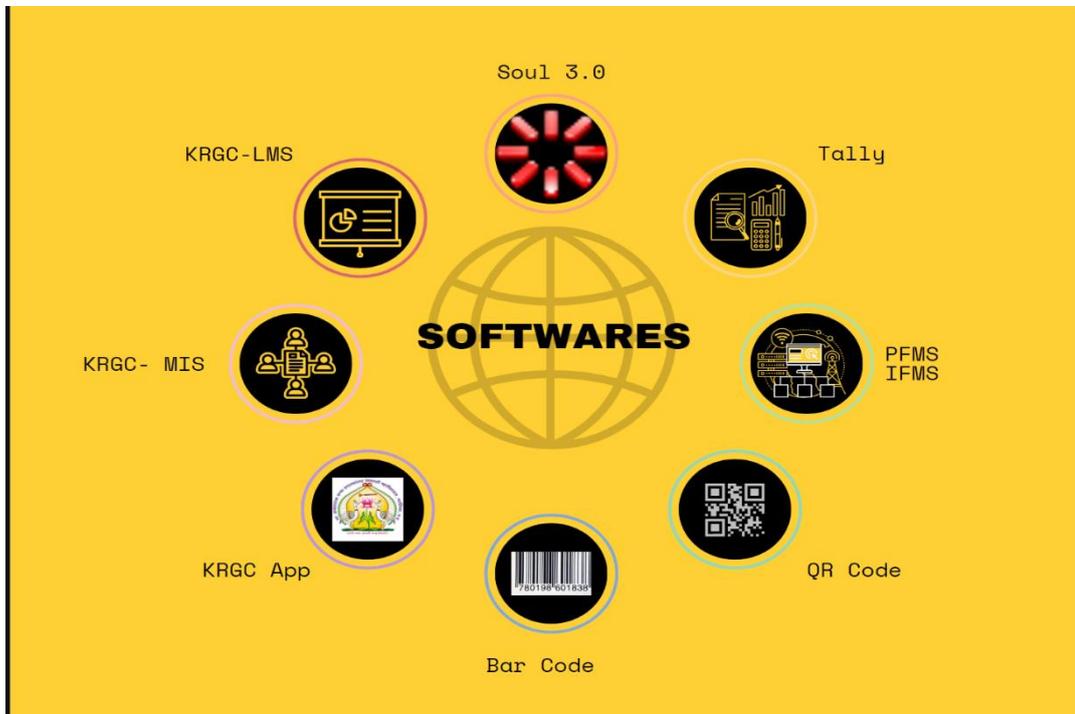

IT/ICT infrastructure :

1. Every department is equipped with desktop/laptop and reprographic facility.
2. The college has improved IT infrastructure by acquiring advanced computer system and new software and the process of upgradation continues.
3. Multimedia teaching aids like LCD Projectors, e-Projector screen, smart boards, laptop, notebook, OPS, LCS, highlighter are employed in Department and classrooms.

4. More than 25 Smart class rooms including 02 Smart panels with LCS have been installed.
5. Conference hall and Seminar Hall are also equipped with IT/ICT facility.
6. e-Library, Kiosk, Reprographic facility and digital form of thesis and other documents are maintained in the Central Library.
7. The facility of Multimedia lab and online editing software are available. Digital studio for development of e-content and virtual class is under construction.
8. The college has 12 broadband connections with Wi-Fi facility, SWAN connection and LAN facility. The facility of lease line is under process.

9. Software such as Soul 3.0, Tally, PFMS, IFMS, Office 2019, Graphics, QR code, Bar Code, MS-teams, KRGC-MIS, KRGC-LMS, KRGC Application, etc. are available in the college.

10. The college has its own Facebook pages, YouTube channel, WhatsApp groups, Telegram groups.
11. CCTV cameras for surveillance, Biometric machines for attendance, Smart phones and Intercom facility for quick communication are made available.

Softwares

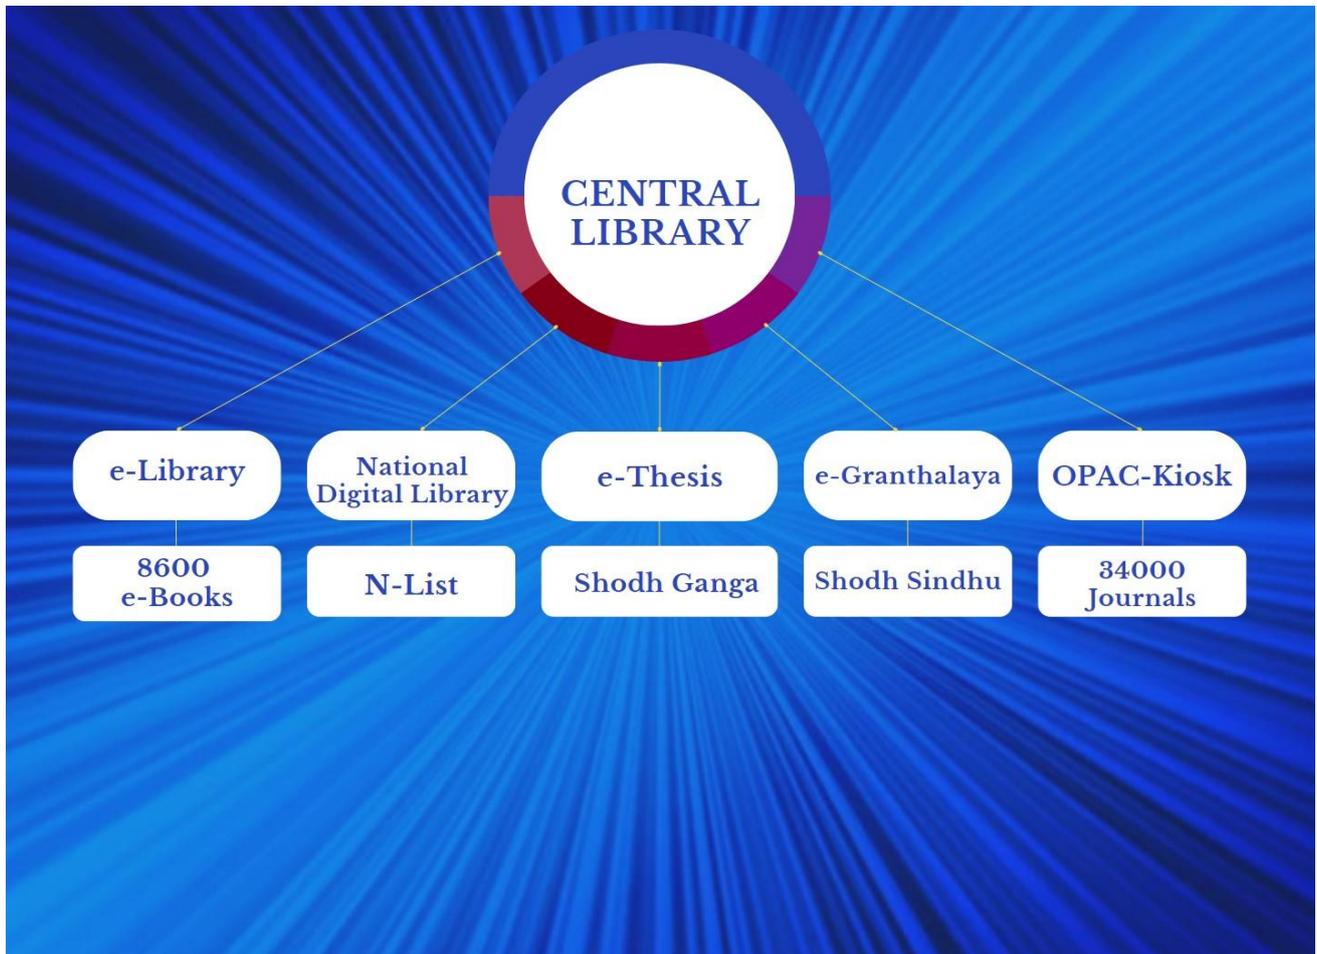

Use of ICT for Teaching-Learning :

The faculty members of the college use information and communications technology (ICT) enabled teaching strategies in the classroom as a supplementary tool to traditional teaching techniques.

- For effective teaching and learning, ICT tools are used by all the departments to conduct Seminars, Workshops, Guest lectures, invited talks, webinars and training programs on current development in the perspective of NEP.
- KRGC-LMS : The academic plans, syllabus, notes of lessons, study material and question banks are made available on this platform.
- Smart class rooms and ICT enabled Seminar halls are used for special/guest/invited lecture in addition to regular lectures and for conduction of seminars/webinars/ workshops.

- The Central Library has electronic resource packages like E-Library, National Digital library, 8600 e-books, 34000 journals, e-thesis, e-Granthalaya, Shodh-Ganga, Shodh-Sindhu, N-List and DELNET for faculty members to effectively utilize it and to demonstrate the concepts to the students using OPAC – Kiosk to enhance the learning experience.

- Various social media platforms and Blogs are used by students and faculty members for knowledge sharing.
- KRGC e-Newsletter *Pravaah* and KRGC News Channel *Saraswati* are provided space for information related to the college and other HEIs.

Facilities For e-Governance

Online Admission
Portal

Scholarship
Portal

Online Fee

Online
Examination
Form

Online Result

KRGC- MIS

KRGC- Website

e- Service
Book

The college provides certain online facilities, which are as follows :

- Facilities of Access to online admission portal and scholarship portals, online fees submission, online submission of examination form, online publication of examination results, online admission of short-term courses and PhD programmes are available.
- Dynamic, interactive and updated college website (www.krgcgwalior.org)
- KRGC-MIS : Operations of all academics, examination and finance related functions, storage of all digital record of academic and non-academic departments are managed by Management Information System (MIS). Payment Gateway is also available.

KEY FEATURES OF KRGC-MIS

- Use of social media, website, Digital Display Board, Bulk SMS and e-mail for providing information to the stakeholders.
- All academic and non-academic departments have developed their e-mail ids which are used for sharing notices information and other official documents.
- Digitalization of the student data and office record for last five years is in progress. Digital ID card with bio- data of the employees and students is in process.
- Provided computer awareness and literacy for student, faculty, and class III and IV employees.
- IT/ICT enabled Conference/meeting hall and Seminar Hall are used for webinars, important online meetings and training programs conducted by Deptt. Of higher education or any other government agency.

5. Evidence of Success :

The use of ICTs in education and their integration has a good effect on teaching, learning, and research. Also, it fosters flexibility, offers a stimulating atmosphere for the teaching-learning process, and increases opportunities for both students and teachers. These factors have a significant impact on the learning process. The performance and achievement of students may be affected by these possibilities.

IT/ICT worked as a change agent in this institution. Decisions must be made swiftly and effectively given the growth in e-learning and e-governance. This has increased the scope of administration and made necessary to the adoption of new strategies for institutional administration. The following are the evidences of success and various advantages of use of IT/ICT under the scheme of TECH-KRGC.

Student support :

- Students have become computer friendly through awareness programs on computer applications.
- Use of social media has given students a platform to express their emotions, ideas, and worries as they navigate the college experience. Social media made it easier for students to participate in extracurricular activities like clubs and associations, enhancing their overall educational experience.
- Student help center, Student help line and other online support system gave a hand to the students.
- Through the availability of IT/ICT facility the learner could search website, collect information and learn the lesson. Web based learning allowed them greater autonomy of learning.

Teaching-Learning :

- By using IT/ ICT, college has been able to meet the challenges during COVID-19 period to conduct online classes, provided online study material, e-books, e-Journals, Video lectures, and remedial classes for students.
- Design and development of e-learning resources.
- Online students' group, Online lecturing, Online counselling, Online libraries, Online resource centers are key features of use of ICT.
- Collaborative learning has enhanced through ICT.
- Central library of the college emerged as an enriched resource center for students and faculty member.

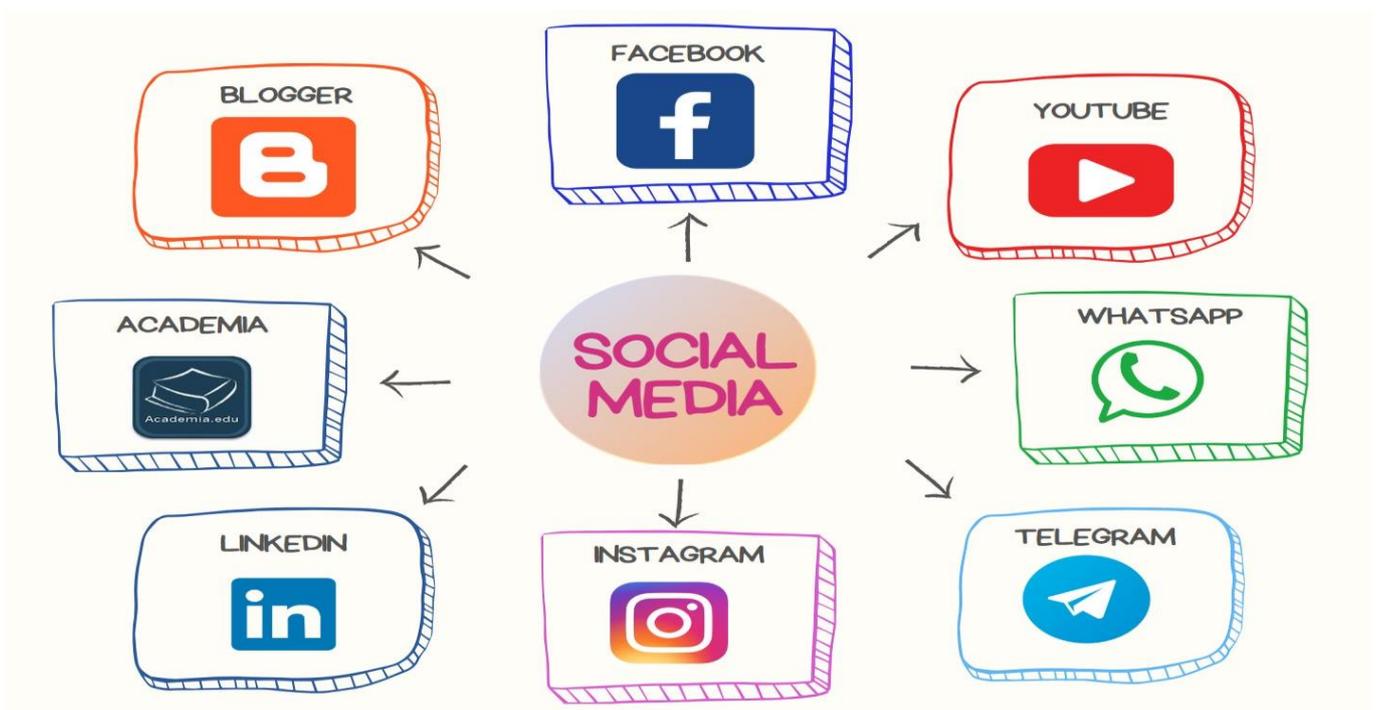

e-Governance :

- Operation of financial management is successfully done and financial data synchronized with other functions such as human resources, and data relating to research grants, budget management, and staff performance.
- ICT has given opportunities for procuring e-learning resources.
- Minimum use of paper, reduced workload, transparency in procedure, reduced cost in service delivery and fast communication etc. can be seen as evidence of success.
- Administrative staff showing better and enhanced performance because it is monitored with the help of IT/ICT.
- Integrated administrative tasks including document preservation, database updating, communication support, document submission online, and approval notification. For these and other practices KRGC use following operating tools.

Operating tools used in Govt. KRG College		
	Search Engine	Google, Yahoo, Bing, Ask.com, Aol
	Browser	Google Chrome, Mozilla Firefox, Internet Explorer, Microsoft Edge, Opera, Gnome
	Remote Applications	AnyDesk, Windows RDC, Team Viewer, GoToMyPC, Remote Access Plus
	Web Server	IIS - Internet Information Services, Apache HTTP, Jetty
	Database Server	MySQL, SQLite, Oracle
	Tools	Android Studio, Visual Studio, Xampp, Wamp
	Editors Tool	Edit Plus, Sublime, Notepad
	Programming Languages	C, C++, PHP, Java, Flutter, ASP.Net, Kotlin
	Operating System	Cent OS, Windows 7, Windows 8.1, Windows 10, Windows 11, Ubuntu
	Mail Receiver	Outlook

- Optimum use of social media for teaching-learning, communication and discussion forum.

6. Problems Encountered and Resources Required

Some obstacles against the smooth functioning of this practice are as follows :

- Lack of creative skills for content designing makes the learning boring.
- Faith on teacher-centric methodology.
- Language barrier as most of the content available is in English.

The following STRATEGY has been adopted by college to overcome the obstacles:

- The college has conducted more awareness program for computer applications.

IT & ICT Policy : Tech-KRGC

INTRODUCTION :

The world has become global village today. This all has become possible only due to information technology in each and every field whether it is home, work place, institutions, media, print media, entertainment, sports etc. No generation is more at ease with Internet, Collaborative Technologies than today's young people who have grown up in an emerging computer environment. To teach and educate this generation in a traditional way only is not adequate. It is a challenge to keep its interest in coming to college regularly and learning constantly. Therefore, the teaching pattern also needs to be modernized. Govt. Kamla Raja Post Graduate (Autonomous) College, Gwalior intends to give its students the best education which is up to date in each and every aspect incorporating modern techniques and updating this time to time.

Just as other industries have looked to technology to improve quality and productivity in an increasingly competitive environment, it is expected that higher education institutions will effectively utilize technology to reach and serve a growing and diverse array of student populations, while maintaining or enhancing the quality of the educational experience

VISION :

To promote IT/ICT through Tech-KRGC program so that students and faculty members can use IT and ICT effectively in the college.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLA RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

liated to Jiwaji University, Gwalior under 2(f) & 12(b) NAAC – 'A' Grade Accredited Institute)

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

MISSION :

- Offer standard programme of IT/ICT to prepare our graduates to become smart leaders in their profession.
- Provide best IT/ICT infrastructure facilities to achieve excellence in teaching-learning process and research.
- Enhance students' knowledge in latest technologies by organizing and participating in awareness programs.

OBJECTIVES :

- Use of ICT in decision making and documentation.
- Efficient use of existing IT/ICT facilities and optimal allocation of additional resources.
- Transparent process of procurement and allocation of its resources.
- Analyze the need of IT/ICT facilities.
- Enabling institutional entrepreneurship.
- Resolving the issues of software rights /ownership.
- To conduct IT/ICT audit.
- To make plan for e-wastement management.
- To establish IT museum in the college.

Present Status of IT/ICT in the Institution :

The KRGC has started its IT/ICT journey two decades before when college arranged computers, reprographic facilities and computer operators. In 2013-14, college has decided to prepare a policy for IT/ICT and implementation on action plan has been started accordingly. Though college has a few smart classes, computer labs, e-library etc. but it feels, it is very slow process to upgrade IT/ICT facilities in the campus.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLÁ RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

liated to Jiwaji University, Gwalior under 2(f) & 12(b) NAAC – 'A' Grade Accredited Institute)

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

Thus, college has decided to revise Tech-KRGC policy and implement it actively. Now, Tech-KRGC has targets of e-Library with 20 computers, Digital Studio, Media Center, Music Studio, Kiosk in Central Library, Computer lab with 100 computers, provision of e-News, relay of Swayamprabha channel, MIS/ERP, KRGC-LMS, KRGC-App, PFMS/IFMS etc.

MANAGEMENT OF IT/ICT :

The IT/ICT policy shall be implemented through the IT cell and give pace to process of development of IT/ICT in KRGC through Tech-KRGC. The IT Cell shall co-ordinate and facilitates the identification, development, and implementation of IT/ICT based proposals including facilitation for obtaining clearances and approvals. The IT cell shall consist of the following members :

- Principal of the College who shall be the Chairman (ex-officio) of the Cell.
- Three representatives from the teaching faculty of whom at least one shall be a woman teacher to be nominated by the Principal of the College.
- One IT personnel.
- Two representatives of the student community to be nominated by the Principal.

From among the above members of the cell the Principal shall designate one as the Coordinator of the Committee. There shall be at least two meetings conducted in an academic session. The meeting shall be chaired by the Principal. The Chairman of the meeting shall decide the agenda of the meeting and any issue for discussion shall be taken up only with his permission. The decisions shall be taken by majority voting if no consensus emerges.

POWERS AND FUNCTIONS OF ITC :

Powers of IT Cell –

The IT Cell has only recommendatory authority. The recommendations made by the IT Cell shall be presented to the Governing Board or Principal of the college for its approval.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLA RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

Functions of ITC –

The ITC shall review and plan the implementation of proposals for infrastructure development in accordance with the master plan of the College. The following are the special tasks assigned to the IT Cell :

- a. To study and prepare a master plan for the implementation of IT/ICT infrastructure at KRGC and submit the same before the Governing Body for its approval. In absence of Governing Body it will be submitted before the Principal of the College.
- b. To Study the budget allocation for IT infrastructure development and making suggestions for the optimal use of the same.
- c. To review the report of the IT infrastructure and Software Audit and suggesting further measures necessary for the purpose of optimal use of resources.
- d. To review the IT maintenance mechanism and suggesting modifications if any.
- e. To recommend the proposals for new software developments and its procurement.
- f. To Obtain feedback on IT/ICT facilities from the stakeholders.
- g. To optimise the use of IT/ICT facilities in the campus by implementing best strategies.
- h. To Equip and empower faculty and students through adequate training programs, technical knowledge of the IT/ICT in the college campus.
- i. To make sure the IT/ICT infrastructure is not lost or damaged and proper maintenance is carried out at appropriate time.
- k. Make available the latest technologies in the campus as early as possible and give adequate training for the use of the IT/ICT.

USE OF IT/ICT IN INSTRUCTION :

Curriculum and Course Design / Planning:

The need of a specialized Curriculum and Course Design / Planning is variable in changing scenario. Technology should be incorporated in it to make our students at par. Therefore, while framing the curriculum and designing a Course-

- Local need and demand of present time should be kept in mind.
- Technical Courses should be modernized.
- Technology based instructional media, such as web-based courses should be developed.

Materials Development:

Technology-based instructional materials must be well designed to be effective. Doing this effectively means-

- Courses have to be reengineered and infused with modules suitable for study.
- Applied / Vocational courses based on new technology need to be incorporated which may give better option for placements

Content Delivery :

Teaching in a classroom is not an easy task. It must be interactive. It may become more impressive, interactive and informative if multimedia is incorporated. The transport of information from one point to another, fixed and mobile, near and far away is possible with the combination of several media. It has elevated its functionality to information delivery and education. Therefore, multimedia can be used for training or education. In fulfillment of this -

- Every department should have Wi-Fi and Internet facility.
- Smart Class Rooms with all the facilities should be established in the College.
- Each department should be equipped with computer and printer.
- Students must have email id so that teaching material could be sent on their mail.

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

Tutoring / Mentoring of Students :

Effective use of technology in instruction requires that particular attention be paid to student tutoring and mentoring. For many students, success is dependent on personal interaction – both with faculty and other students. Expanded use of technology usually increases the amount of interaction between students and faculty.

Good design and development of technology-mediated instruction is expensive. So, to make technology-based delivery cost-effective and to give exposure to students, it is often desirable to achieve the collaboration of two or more institutions. Therefore-

- Focus should be on the interdisciplinary and inter-departmental collaboration activities with the help of IT/ICT facility.

Assessment of Students' Learning

Examinations and continuous comprehensive evaluations (CEE) are to be held to assess the learning of students. Examination patterns also need to be revised accordingly. Moreover, to declare the result within time keeping the transparency and accuracy maintained computational techniques should be adopted by examination cell also.

Academic Support Services:

Academic Support Services such as Information Resources and Access to /Use of Technology are back bone of any Educational Institute.

A. Library :

The libraries of the future would emerge not merely as store houses of information but as facilitators of access to information. The library should be available on Internet system. Traditional libraries should be digital in which e-books and e-journals could be accessible. For this-

- Library should be automated so that all books could be seen at a glance.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLÁ RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

liated to Jiwaji University, Gwalior under 2(f) & 12(b) NAAC – 'A' Grade Accredited Institute)

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

- Inflibnet facility should be available in the library so that faculty members, research scholars and students may avail facility of e-books and e-journals.
- Kiosk should be installed in Central Library for better use of OPEC.
- Enhance the number of computers and internet capacity of e-Library to provide more facility to the students and faculty members.

Student Services :

An educational Institute along with educating and teaching its students also needs some other tasks to be completed such as Admissions, Advising and Counseling to students. Several information regarding Courses run in the College, Fee Structures, Facilities available in the College etc. are to be displayed somewhere.

Academic Support Services :

- The College should have its website.
- Admission process should be online. Each and every information regarding subjects, number of seats, fee structure should be displayed on the website.
- Fee submission should be online.
- Different activities such as Sports, NCC, NSS, Career and Placement Cell, scholarships etc. should also be displayed on the website.
- Career and Placement Cell of the College should have its own multimedia system so that activities such as e-marketing campaigns, recruitments, fund raising efforts etc. might run without hindrance and enhance academic life.
- To keep connectivity with alumni and support career service activities social networking tools may be used.
- Electronic / Digital Notice Boards may be used for displaying /highlighting various notices.
- The facility of Swayamprabha channel should be available in the college.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLÁ RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

liated to Jiwaji University, Gwalior under 2(f) & 12(b) NAAC – 'A' Grade Accredited Institute)

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

- The KRGC Application should be launched for convenient connectivity.
- More Computer labs should be established.
- All classrooms should be ICT enabled with smart class facility.

Support for Admission :

The multi-disciplinary nature of the college necessitates the use of IT/ICT to ensure effectiveness, efficiency and transparency of the admission process. The college may undertake a range of activities to support the admission process through use of IT/ICT, but not limited to the following:

- Publication of admission related information over the Internet for better reach and visibility
- Provide online registration facility for prospective students
- Maintain a follow up and help prospective students through online support system and FAQs

Collection of Fees :

- Collection of fees is a great challenge for schools and other educational institutions. Manual fee collection poses several challenges as schools need to dedicate professionals for the task, maintain manual logs of fee collection, plan the schedule for in-person fee deposits, and audit vast piles of documents for correct financial records. It seems like a lot that schools need to take care of apart from their primary work on academics.
- Digitization of payments is a simple way to fix the complex process of school fee collection. It is secure, faster, trackable, accurate. A school fee collection software allows schools to hop on a digital payment ride conveniently. The revolution ushered by digital payment systems could help simplify the task of schools as it has done for hundreds of other businesses & people. Let's understand how a payment gateway can facilitate online school fee collection and management and its benefits in a school fee collection software.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLÁ RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

liated to Jiwaji University, Gwalior under 2(f) & 12(b) NAAC – 'A' Grade Accredited Institute)

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

- A payment gateway is a payment transfer facility provided by a financial service application provider. For example, banks or private financial service providers could give these payment gateways. A payment gateway provides a common platform to connect several banks and different payment methods through its highest level of security.

Examination :

Student performance evaluation is the most critical aspect of University system as the gatekeeper of academic quality and credibility of the organization. Use of ICT has improved administration of tests in both online and offline scenario. The objective of the student evaluation system using ICT should include: providing an efficient mechanism to conduct examinations, improve transparency and credibility of the system, help declare the results error-free and in timely manner, and evaluate the students in a valid and reliable manner. The University may undertake a range of activities to support student evaluation through the use of ICT, but not limited to the following:

- Provide facilities for online registration for examinations, and share results online.
- Students should be informed about examination schedules and changes to schedules, if any, online.
- Create online systems for internal assessment and integrate the same with final student examination.
- Encourage teachers to use online testing system to be provided by the University for internal assessment.
- Provide feedback to students on their performance on a regular basis, online.
- Create question banks and share them through a repository.
- Use ICT for improving the credibility of the examination by putting practices in place to check impersonation and other malpractices.
- Use ICT to analyse evaluation data for preparing reports on student performance, evaluator performance etc.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLÁ RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

liated to Jiwaji University, Gwalior under 2(f) & 12(b) NAAC – 'A' Grade Accredited Institute)

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

- Result section should be provided on website.
- Online updates also provided through e-Notice Board.

Administrative Support

Administrative Staff as well as Teaching and Non-Teaching Staff should be familiar and at ease with new technologies and constant efforts should be made to get them updated. Office staff should be trained for various official activities such as record keeping, maintaining finances etc. So-

Workshops / training programs for e-learning should be arranged for teaching / nonteaching staff of the college to keep them updated. Students may also join it.

Apart from research and teaching, a major application of ICT can be in administration of the University. It will endeavour to connect all its Constituent Institutions to the University network and provide the services in a phased manner. It will develop a strategic plan to provide access to its key resources to all its students and teachers. The University may undertake a range of activities to support administration through use of ICT, but not limited to the following:

- Store the documents in digital form and provide authorised access to them
- Provide a communication channel between University and its constituent institutions for information exchange
- Standardise and automate the activities involved in academic administration for class and course management
- Standardise and automate the administrative processes of the University and its constituent institutions through an integrated system. The stakeholders should be able to access the required information through personalised dashboards
- Automate the generation of various compliance reports
- Provide need based automation support to University's staff to perform specific tasks
- Promote the use of office computing to support general office tasks

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLA RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

Information Resources

Academic Support Services : Regular updates about student to be communicated with respect to Student on Fees, college updates & other academic matters by uploading notices on website and WhatsApp group made by Professors.

The website will act as an information center which will reflect about the college, all its activities, important notices, courses offered, etc. The website should act as a mirror of the college activities and

information about all activities, important notices etc. should be made easily available. Website is hosted & deployed by a third party on a secure platform. Along with it, training should be given to the existing staff and persons should be identified who will undertake the responsibility of website administration and updating at the college level. Important information & achievements will be posted in the social media. A Website Committee to be formed for the administration of the college website. The Committee will look after the process of updating, maintaining and working of the website on a regular basis. The Committee will also look for other changes that are required on the website. The College strives to showcase its vibrant self and activeness through its website. All the important notifications have to go live on the website as and when they are released. The website of the college to be continuously updated taking into account the new changes.

Record Keeping

Record keeping in every organization including the educational system is a vital tool in School Administration. It is indispensable since it plays role in day to day running of the school. For decision affecting the daily operation of the school to be effectively carried out, school administrators rely on the information that is captured on records. It is an impossible task to plan and administer any organization in which records are not kept or are kept carelessly and fraudulently. Record management on the other hand, involves the effective, efficient and systematic control of the processes of creating, receiving, maintaining and disposing valuable information about the organization.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLÁ RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

Information Technology is the utilization of modern electronic equipments as a means to facilitate communication and dissemination of information ideas, knowledge and skills in which such information is conveyed thereby enabling the users including administrators, lecturers, staff and students to collaborate more effectively in the acquisition and sharing of new knowledge. Information technology (IT) is a very fast and easy way of accessing retrieving and disseminating information efficiently and effectively when information is needed.

Information and communication technology is the application of computers and other technologies to the acquisition, organization, storage, retrieval and dissemination of information in the form of data, text, images. The information is stored in the form of database which is a collection of files of information organized in such a way that the said information can be accessed from the computer system at different locations.

It is stipulated that the information should be maintained as per the provision issued by the Department of Higher Education and should be produced on request by the authority on the occasion of official inspection. Department of Higher Education, Govt. of M.P. is promoting the practice to keep the statutory records, such as Employees record, Admission register, Log book, copies of the policies on various issues, Attendance register, Academic calendar, Time table, Teachers Diary, Visitors Book, Examination Record Book, Minutes of the meeting etc.

The college provides IT facility in various sections to keep aforesaid records in different management systems.

Budget and Finance :

For ease of maintaining accounts & Finance suitable Accounting & Finance Software package to be implemented. The College also uses Public Financial Management System (PFMS) which is used to manage the funds received from the Government. Reports can be generated for all Staff members. Payments are generally made and received through online mode such as NEFT, RTGS, Bank Transfers, etc.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLÁ RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

Challenges

Infrastructure – No electricity, no proper personnel to handle computer labs, improper facilities like spoilt switches, broken, unplugged wires, etc all hampers the implementation of ICT.

Finance – Lack of funds or their improper distribution to buy latest technology gadgets such as computers, k-yans, OHPs, LCDs, tape drives, UPS systems, servers, etc.

Lack of Trained Teachers – Inexperienced teachers who do not know the fundamentals on how to operate the ICT devices or help students to make use of ready software

Student Ability – All students may not have the requisite skills or abilities tunes to using or learning through ICT.

Load Shedding – Electricity is a pre-requisite to running computer labs and loadshedding is a common problem in our country.

Psychological preparation – Students and Teachers both can have mental blocks in using ICT devices thinking these are complicated and difficult to use.

Technical challenges – Qualified hardware technicians need to be called or employed for the regular maintenance of ICT tools.

For certain tasks and understandings, and preparation of education software people with high cognitive abilities are required. Thus the educational institutes along with aid from the government should work hard towards overcoming these challenges.

Obstacles :

Discussing the barriers to successful integration of IT/ICT into the teaching/learning process, distinguishes the following factors:

- Lack of support for the educational personnel and learners;
- Lack of teacher competencies to use certain software;

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLÁ RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

liated to Jiwaji University, Gwalior under 2(f) & 12(b) NAAC – 'A' Grade Accredited Institute)

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

- Insufficient financing (of teacher professional developments in IT/ICT field, of appropriate
- computer hardware and software etc.);
- Lack of cooperation among academic personnel in the same and in another schools.

Distinguishing barriers to the IT/ICT integration into the teaching/learning process, describes them in a more detailed and structured way:

- Lack of competencies;
- Limited accessibility
- Lack of support
- Lack of competencies
- Shortage of time

Requirement of IT/ICT Resources

- **Source of information** – ICT covers most of the mass media such as newspapers, television, satellite, internet, etc. Thus there is a vast ocean of knowledge and information available waiting to be tapped and disseminated.
- **Balanced development in rural and urban areas** – There is a strong need to remove social and economic heterogeneity in society especially in a highly populous country like ours where nearly 70% of our population lives in villages. True progress of our nation can only take place when the rural areas are also equally involved and upgraded with modern technology.
- **Distance education** – More and more people are opting for distance education for several reasons – earn and learn, part-time education or just for gaining more knowledge. Thus with ICT the best of education can be received sitting in any remote corner.
- **Online or e-learning** – E-learning is the new mantra where anything and everything is available on the World Wide Web. But to avoid overloading of information, one needs to use ICT for the proper organization and distribution of this knowledge.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLÁ RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

liated to Jiwaji University, Gwalior under 2(f) & 12(b) NAAC – 'A' Grade Accredited Institute)

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

- **Conferencing** – Time is money and the jet-setting executives and professionals need to constantly stay in touch and updated. With the help of ICT, people can stay in touch personally and in real-time.
- **Exchange of views and ideas** – Man is a social animal. He constantly needs to interact with other people of his kind and ICT greatly facilitates this process.
- **Shrinking the globe** – Due to globalization and hug influx of mass media, the world has become a small place and it is needed to know about all the peoples of the world for better social understanding and development. Here too ICT can play a key role.

IT/ICT Security

IT security is a set of cybersecurity strategies that prevents unauthorized access to organizational assets such as computers, networks, and data. It maintains the integrity and confidentiality of sensitive information, blocking the access of sophisticated hackers.

Threats to IT security can come in different forms. A common threat is malware, or malicious software, which may come in different variations to infect network devices, including: Ransomware, Spyware, Viruses. These threats make it even more important to have reliable security practices in place. Learn more about malware to stay protected.

IT security prevents malicious threats and potential security breaches that can have a huge impact on your organization. When you enter your internal company network, IT security helps ensure only authorized users can access and make changes to sensitive information that resides there. IT security works to ensure the confidentiality of your organization's data.

In critical situations, the college authorities reserve the right to disconnect any device or disable any account if it believed that either is involved in compromising the IT/ICT security of college.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLÁ RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

IT/ICT Audit :

The college has provision to conduct IT/ICT Audit, at least once in three years, to ensure that the hardware, software, networks, ICT management, services etc., are all according to standards.

Maintenance of IT/ICT :

- On procurement & installation of any new ICT device/equipment, User department must allocate a unique dead-stock number (Asset Identification Number) in the dead- stock/Asset Register. The same number must be written on the front side of the device/equipment, which can be used for physical verification. The same must be appropriately updated while transferring out OR disposing/writing off such assets.
- User department must be vigilant about warranty checks and must take appropriate action if the performance of the device/equipment deviates from the expected performance.
- After the completion of the warranty period, User Department may implement the Annual Maintenance Contract (AMC) for the device/equipment depending on the criticality of its usage, with the approval of the ICT Infrastructure and Management Committee & following the standard procedure laid down by the university from time to time.
- The ICT Infrastructure and Management committee shall define, review, revise, approve and circulate/publish the guidelines & procedure for up-gradation of outdated ICT devices/equipments/components or to improve the performance of existing ICT devices/equipments/components and software. The upgradation of devices/equipments can be through increasing the performance capacity by adding/replacing some components, like memory, HDD, Graphic card etc. or by replacing the whole device/equipment through a buy-back mechanism depending on the specifications and performance parameters of the device/equipment. A prior approval of specifications and requirement by the IIM Committee is essential.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLA RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

- Necessary budget provisions must be made by the respective user departments for the maintenance and up-gradation of its ICT equipment and software.

Evidence of Success :

The self-developed e-Classroom has been helping the students with the online resource of study materials. This digital interaction in the virtual medium is helping the students even beyond campus.

Online mode of examination in MCQ or Multiple Choice based Questions has also become a success among teachers and students. It has resulted in the fast publication of results. Besides this, the system of evaluation also helps the students to adapt to the online contemporary mode of competitive examinations based on MCQ. All transactions regarding payment of admission fee, university form fill up fees have been successfully initiated through online mode. Cashless mode of payment has made the entire process hassle-free so that any student can make the payment from anywhere and anytime. It contributes to the transparency of financial transactions. It also supports the Digital India campaign launched by Government of India. Students can give their feedbacks regarding academic activities through online feedback forms. The online system enables the college authorities to have quick access to the students' feedback reports and prompt actions are taken in response.

The IT/ICT enabled teaching-learning system has become a huge necessity during the COVID 19 pandemic. As the pandemic forced the educational institutions to close down; online teaching has become the only mode to continue the education of the students. Besides online classes through Google Meet, WhatsApp groups are created for every batch of students to keep easy communication among the teachers and the students. It has been quite successful amidst this pandemic.

Awareness Programme for Development of IT/ICT

The KRGC will conduct orientation programme or training programme to create awareness amongst students and faculty members about the benefits of implementing ICT in their fields, explain them about how to avail the benefits of IT/ICT.

कार्यालय प्राचार्य, शासकीय कमलाराजा कन्या स्नातकोत्तर स्वशासी महाविद्यालय, ग्वालियर GOVT. KAMLA RAJA GIRLS P.G. AUTO. COLLEGE, GWALIOR (M.P.) INDIA

liated to Jiwaji University, Gwalior under 2(f) & 12(b) NAAC – 'A' Grade Accredited Institute)

www.krgcgwalior.org krgc@rediffmail.com Phone: 0751- 2625495, 0751-2438173

The deliverable, funding and implementation details are given as under:

- Minimum 10 programmes will be organised in an academic session.
- The awareness Programme will be of state level and will be organised in association with a National/State level or prominent Industry association.
- In the awareness Programme Specialized Institutions (SIs) as a Key Technical Experts along with Cloud computing service providers should be essentially involved.
- The awareness Programme will be of one day duration and training programme will be one or two weeks.
- Apart from technical deliberations, there should be live demonstration of ICT.

Conclusion :

Availability of infrastructure and teaching and learning resources are fundamental and crucial to an educational institute as the teaching and learning exclusively depend on these two resources. Any development-oriented programme derives much of its strength from inherent directives framed in the form of a policy. Therefore, these policies are framed to achieve objectives and mission of the Institution hence it becomes mandatory for an Institution to observe and function according to policies framed in order to inculcate moral values, to develop as an independent individual who is educated and aware and place herself well in this era of globalization.

ICT applications are not going to replace the physical form of information sources completely but no doubt to meet present demands, to satisfy the remote users and to provide information. With the help of ICT enabled services it will be easy to education and users to get information immediately, to segregate information, to use multiple search words, to save cost, time and efforts of staff and users, and remote access to information and different databases. Now, innovative strategies can be adopted to develop the knowledge innovation culture of education, which consists of establishing an environment beneficial to knowledge innovation.

KRGC-MIS

The screenshot shows the login interface for the Kamlaraja Girls College Management Information System. At the top center is the college's logo. Below it, the text reads "KAMLARAJA GIRLS COLLEGE" and "Management Information System". The login form is a light purple box containing the following elements:

- Username:** A text input field with the placeholder "ENROLLMENT NO./MOBILE NO."
- Password:** A text input field with "*****" as a placeholder.
- Remember login:** A checked checkbox with the text "Remember login" and "(if this is a private computer)" below it.
- Login:** A prominent green button.
- Forgot:** A white button with a black border.

At the bottom center of the page, it says "EKRG - MIS 2018".

The screenshot shows the "ADD STUDENT" page within the KRGC-MIS system. The page has a search bar at the top with the text "Search something special" and several utility icons on the right. Below the search bar, the page title "ADD STUDENT" is displayed on the left, and a breadcrumb trail "Dashboard / Student Management / Add Student" is on the right. The main content area features a search filter section with "Start Date" and "End Date" input fields, each with a placeholder "Enter Start Date" and "Enter End Date" respectively. A green "Search Record" button is positioned to the right of these fields. Below the search section is a table with the following columns:

S.No.	Student Name	Course/Year	Session	Fee Type	Amount	Remark	Date Time

Google Class Room

The screenshot displays a Google Classroom interface for a class named "M.Sc 2". At the top, there is a blue header with the class name and an illustration of a yellow book and blue headphones. Below the header, there are several sections:

- A "Share with your class..." button with a share icon.
- A "New assignment: Definition of Rates law." dated May 14, 2022, with a green document icon and a three-dot menu.
- An "Add class comment" button.
- A comment by "anand kumar singh" dated May 9, 2022, with a profile picture and a three-dot menu. The comment text is "Write down the full form RRKM".
- A "3 class comments" indicator.
- A "New question: Define fast reactions" dated May 8, 2022, with a green question mark icon and a three-dot menu.
- Another "Add class comment" button.

At the bottom, there is a navigation bar with three options: "Stream" (with a speech bubble icon), "Classwork" (with a document icon), and "People" (with a person icon).

Dear Sir/Madam,

This is in continuation with the email for your request of upgrading SOUL 2.0 to SOUL 3.0. We have successfully completed the installation and activation process of the software. As per our terms and conditions so far we have not received the installation charges from you. It is requested you kindly make the payment online/through DD. In case, you need a proforma invoice kindly let us know the same at the earliest.

The Payment Details:

The installation charges of **Rs. 1180/- including 18% GST** should be made through **Demand Draft** drawn on any Nationalized Bank, in favour of "INFLIBNET Centre" payable at "Gandhinagar". **You can also make online payments.** Please **intimate UTR No to confirm the receipt of payment**

Bank Name-	State Bank Of India
Branch-	Infocity Branch, Gandhinagar
SBI Account Number -	10298781250
IFSC Code -	SBIN0012700
MICR Code-	380002151

Please ignore the email if you have already made payment for the SOUL installation charges. For more details contact on 07923268306

Thanks & regards,
Viraj Parekh

Registration on e-Shodh Sindhu

The INFLIBNET Centre receives numerous queries from Colleges regarding membership to Shodhganga and e-ShodhSindhu. Following clarifications are being provided in this regard:

e-ShodhSindhu: Colleges that are covered under 12(B) & 2(f) Sections of the UGC Act and are under direct purview of UGC are entitled to get access to e-resources under NLIST programme except for Colleges imparting education in Agriculture, Engineering, Management, Medical, Pharmacy, Dentistry and Nursing. NLIST is college component of e-ShodhSindhu. NLIST subscribes to a sub-set of e-resources that are subscribed under e-ShodhSindhu. As such, Colleges that are already getting access to e-resources under NLIST do not require membership of e-ShodhSindhu. (More details are available at <http://nlist.inflibnet.ac.in/members.php>)

e- Shodh Ganga Membership

The INFLIBNET Centre receives numerous queries from Colleges regarding membership to Shodhganga and e-ShodhSindhu. Following clarifications are being provided in this regard:

Shodhganga: Shodhganga is an Open Access Repository of full-text theses submitted to universities in India. Membership is not required to browse, view, search and download theses available in Shodhganga. However, INFLIBNET signs MoUs with universities so as to facilitate submission of electronic version of theses into Shodhganga and synopses/approved research proposals into Shodhganga. The eligible universities that signs MoUs with INFLIBNET Centre on Shodhganga are provided access to anti-plagiarism software. Colleges are not eligible for this benefit. (Details are available at <http://shodhganga.inflibnet.ac.in>)

NDLI

Dear raghvendra,

As per the request from your institute's NDLI Club, we are pleased to welcome you as a new member. The following details are provided for your reference:

I. Your NDLI Club Registration Number is: **INMPNC3WAUMSLEU**

II. Your Institute's Unique Passkey is: **80f3d338-ab2b-40ff-b906-1f4da76b980b**

III. Club Admin Login Details: All the Club Authorities (Patron, President, Secretary, and Executive Member(s)) can login to the NDLI Club Admin Panel using the NDLI registered login credentials from here: <https://club.ndl.iitkqp.ac.in/admin-login>. By logging in, the authorities can view their Club Registration Number, Unique Passkey, Registered Club Members, Club Event Details, Certificate of Registration, etc. IV. Event Conduction Process: As a NDLI Club member, you need to conduct a minimum of 10 reading/ learning/ knowledge related events like Lecture, Quiz, Debate, Storytelling, Book Review, Film Screening, etc. You can refer the event conduction process document available here: https://drive.google.com/drive/folders/1n0onDutkeCyrYKEdpur7dKLR_YGJTH7P

V. Next Steps: You are requested to perform the following activities:

1. Kindly forward the Unique Passkey to all the faculty members, students, and other staff members of your institute to join NDLI Club as a member by visiting this URL: <https://club.ndl.iitkqp.ac.in/sign-up>
2. You should conduct an NDLI User Awareness Session for all the Club members within 7 days of receipt of this email. One of the Club Authorities must create this event on the NDLI Club platform as per the event conduction process document available here: https://drive.google.com/drive/folders/1n0onDutkeCyrYKEdpur7dKLR_YGJTH7P. You are free to use and customize the presentation as per your requirement from here: <https://docs.google.com/presentation/d/1ZS3WU3OqQn8LXFBze3DMNwnmzPGXJvN/edit>.
3. On successful conduction of NDLI user awareness session or any other event with a minimum of 100 registered participants, you will be able to Generate the Certificate of Appreciation for the participants.

Report of Online Workshop

On

Data Analysis with Spss

A Workshop titled "Data Analysis with SPSS" was organised and sponsored by IQAC in Govt. KRG PG Autonomous College, Gwalior on September 07, 2021.

Dr. M.R Kaushal, Principal KRG College, was the Patron.

Dr. Sanjay Swarnkar, Academic Secretary IQAC KRG coordinated the event.

Dr. Shailja Jain Prof. Dept. of Home Science KRG College was the organizing secretary of the programme.

The objective of the workshop was to enhance participants' skills in using SPSS for data mining in research and education.

Mrs. Deepa Anwar Statistician, from Jiwaji University Gwalior delivered a lecture on topics like data entry, cleaning, and descriptive statistics, hypothesis testing, regression, ANOVA and other advanced techniques. The program was focussed on creating an interactive environment that could encourage active participation and knowledge sharing among participants. She explained the skills to effectively use, analyze and interpret data using SPSS, empowering them to integrate data-driven insights into their teaching and research efforts.

Gwalior 12 December 2019

Report of Awareness Programme

On

Digital Innovation

An Awareness program focusing on "Digital Innovation" was successfully conducted in the Govt. KRG PG Autonomous College, Gwalior on 12 December 2019 organised and sponsored by IQAC.

Dr. Manju Dubey, Patron and Principal KRG College inaugurated the session

Dr. Sanjay Swarnkar, Academic Secretary IQAC KRGC coordinated the programme

Dr. Anand Kumar Singh Prof. Dept of Chemistry KRG College was the organizing secretary of the programme.

The program was aimed at fostering innovative teaching methods, by exposing teachers to the latest digital tools and resources.

In a lecture, Mr. Abhinav Gupta from AbhinavInfosoft Gwalior introduced to a range of technologies spanning the disciplines, encouraging a cross-disciplinary approach. A variety of topics including online collaboration, virtual labs and educational applications were explored to enhance engagement and learning outcomes.

Gwalior, 23 June 2021

Report of Professional Development Programme on Digital Literacy & Online Safety

A Professional Development Programme on "Digital Literacy & Online Safety" was successfully conducted in the Govt. KRG PG Autonomous College, Gwalior on 23 June 2021 organised and sponsored by IQAC.

Dr. M.R Kaushal, Patron and Principal KRG College inaugurated the session.

Dr. Sanjay Swarnkar, Academic Secretary IQAC KRGCG coordinated the programme.

Dr. Sadhana Pandey Prof. Dept of Botany KRG College was the organizing secretary of the programme.

The Keynote address was given by Mr. Hemant Rajoriya, Surju Productions Gwalior in which he talked about understanding the use of digital tools and creating a safe online environment. He explained the effective use of technology for teaching and learning and the importance of online safety and strategies to educate students on responsible digital behaviors. He also stressed upon potential online risks and ways to mitigate them.

Report of Workshop

On

Innovative Teaching Methodology

A Workshop titled "Microsoft Teams" was organised and sponsored by IQAC in Govt. KRG PG Autonomous College, Gwalior on December 21, 2017.

Dr.Saroj Modi Patron and Principal KRG College and Dr. Sanjay Swarnkar, Academic Secretary IQAC KRG and Coordinator of the programme were present on this occasion.

Dr.Pratima Jain Prof. Dept. of Chemistry KRG College was the organizing secretary of the programme.

Dr. Jain, in her introductory speech threw light on the implementation of innovative teaching techniques, enhancing the overall quality of education.

Dr. Sanjay Swarnkar, Coordinator IQAC and Lead speaker of the event pointed out that learning can be facilitated and improved through the use of creative teaching methods in the classroom. An integrative approach that will help teachers promote learning to support student growth is the testing of various teaching methods in the classroom. Dr.Swarnkar delivered his valuable thoughts on incorporating innovative techniques into the classroom and explored diverse strategies, such as flipped classrooms, project-based learning, gamification, and

Gwalior Date, March 4 2020

Report of Workshop On Learning Management System

IT Cell of the Govt. KRG PG Autonomous College, Gwalior organized a professional development program on "Learning Management System" on March 4, 2020 and the program was sponsored by IQAC of the college.

The patron was Dr. Manju Dubey, Principal of the Govt.K.R.G. College.

Dr. Sanjay Swarnkar, Academic Secretary IQAC KRGK was the coordinator.

Dr. Anand Kumar Singh, Prof. Dept of Home Science was the Organizing Secretary.

The key objectives of the program included enhancing participants' understanding of LMS functionality, promoting best practices in online course delivery, and fostering a collaborative environment for sharing insights and experiences.

Dr. Anish Pandey, Govt. Model Science College, Gwalior an experts in the field of online education elaborated on basic concept of LMS and defined that this learning management system is a piece of software or web-based technology used to organize, carry out, and evaluate a particular learning procedure. It is used for e-learning procedures and, in its most basic form, consists of two components: a server that handles the essential operations and a user interface (UI) that is controlled by teachers, pupils, and administrators.

He then introduced and explained LMS navigation, content creation, assessment design, and learner engagement. For first time learners and experienced educators, their practical tips and case studies had provided valuable insight. Participants gained proficiency in uploading resources, creating assignments, and facilitating online discussions. Engaging panel discussions addressed challenges and opportunities in virtual education.

Faculty members shared their experiences and strategies for maintaining student engagement, providing personalized support, and assessing learning outcomes effectively in an online environment. Overall, the programme provided an enriching platform for educators to adapt and innovate in response to the changing educational landscape. A deeper understanding of LMS capabilities was acquired by the educators.

Certificates were provided at the end of the programme to all the participants

Gwalior Date : 1st May, 2019

Report of Training Programme On Management Information System

A Training Programme titled "Management Information System" was organised and sponsored by IQAC in Govt. KRG PG Autonomous College, Gwalior on May 1, 2019.

Dr. Manju Dubey, Patron and Principal KRG College inaugurated the session

Dr. Sanjay Swarnkar, Academic Secretary IQAC KRGC coordinated the programme

Dr. V.K Agrawal Prof. KRG College, was the organizing secretary of the programme.

Mr. Abhinav Gupta from Abhinav Infosoft Gwalior was present as guest speaker and introduced the fundamentals of MIS, highlighting its role in gathering, processing, and presenting information vital for organizational management. He talked about different softwares used for data collection, storage, and analysis, such as spreadsheets and database systems. Session included design sample databases, generation of reports, and analysing data trends.

The program also highlighted the significance of data security and privacy within MIS, stressing ethical considerations.

Report of Professional Development Programme On Microsoft Teams

A Professional Development Programme titled "Microsoft Teams" was organised by IT cell and sponsored by IQAC in Govt. KRG PG Autonomous College, Gwalior on September 20, 2017.

On this occasion, Dr. Prabha Mehta, Patron and Principal of KRG College, Dr. Sanjay Swarnkar, Academic Secretary and IQAC in charge of KRG, the Programme Coordinator were present. Dr. Charu Katare Prof. Dept. of Home Science KRG College was the organizing secretary of the programme.

An introduction of Microsoft Teams platform enhancing participants' skills and knowledge in various domains was discussed in brief by Dr. Charu Katare, organizing secretary of the program

Subject Expert, Mr. Nitin Sharma, Microsoft Executive shared a lecture on Microsoft Teams platform which enabled seamless communication, content sharing. He explained that Microsoft Teams is cloud-based team collaboration software that is part of the Microsoft 365 and Office 365 suite of applications. The core capabilities in Microsoft Teams include business messaging, calling, video meetings and file sharing. Businesses of all sizes can use Teams.

The KRGC is advancing along the road of contemporary technology by upholding its cultural values, knowledge, and heritage and promoting the Tech-KRGC programme to support the UN's sustainable development initiatives.

With keeping these lines in mind.....

“If future generations are to remember us more with gratitude than sorrow, we must achieve more than just the miracles of technology. We must also leave them a glimpse of the world as it was created, not just as it looked when we got through with it.”
