**SCHOOL OF STUDIES IN
POLITICAL SCIENCE & PUBLIC ADMINISTRATION
JIWAJI UNIVERSITY, GWALIOR (M.P.)
Academic Perspectives of the School**

The Political Science program of Jiwaji University, Gwalior (M.P.) has organized its Post Graduate academic programme around five broad rubrics, viz :-

1. Political Theory and ideologies;
2. Political in India; State Politics/Administration in India: Grassroot Democracy;
3. International Relations & Comparative Politics;
4. Public Administration & Financial Administration;
5. HRD & Human Rights,

However, the School also believe that for a critical understanding of Post Graduate students this School would also need some exposure to cognate areas like Political Economy, International Politics, Grassroots Politics, Liberalization, Globalization & Human Rights. In the structuring of courses an attempt has therefore been made to include "hard core essentials" of Political Science on one hand and the "Inter-facial" aspects of cognate disciplines on the other.

In M.A. Political Science programme the hard core essentials are covered in twelve (12) compulsory courses which all students have to offer: while the cognates areas fall largely in to the Optional Courses which the students take-up in their 3rd and 4th semesters. A wide variety of optional courses are offered from which the student may select four (4) courses, two out of these courses must be from among the list of Optional Courses of the School.

Course Requirement:-

Course work in the School depends on constant interaction between students and teachers, and among students themselves. Students are expected to attend all classes regularly, and participate in discussions specially Saturday seminars. In case they are unable to do so for some reason, they must inform the course teacher and obtain permission.
